

CURRICULUM VITAE

Name: Ian Thomas Jackson

Office: Institute for Craniofacial and Reconstructive Surgery
16001 West Nine Mile Road, Third Floor Fisher Center
Southfield, Michigan 48075 U.S.A.

Nationality: British

Date of Birth: December 24, 1934

Marital Status: Married; five children

Qualifications: University - M.B., ChB., Glasgow (1959)
T(S) (1992) i.e. Certified in Plastic Surgery
D.Sc.(Hon) Saint Louis University (1993)
D.Sc.(Hon) University of Glasgow (2001)
Postgraduate - F.R.C.S., Glasgow (1964)
F.R.C.S., Edinburgh (1964)
F.A.C.S. (1984)
F.R.A.C.S. (Hon), Australia (1991)
F.R.C.S. (Hon), Glasgow (2002)
American Board of Plastic Surgery, Certified 1982

Present Position: Director, Institute for Craniofacial and Reconstructive Surgery
Affiliated with Providence Hospital, Southfield, Michigan

Director, Plastic Surgery Residency Program
Providence Hospital, Southfield, Michigan

Chief of Surgery, Surgical Center of Southfield

Section Chief Plastic Surgery,
Providence Hospital, Southfield, Michigan

Clinical Professor, Department of Oral and Maxillofacial Surgery
University of Texas at Houston, Houston, Texas

Honorary Clinical Professor, Department of Orthodontics,
University of Detroit, Detroit, Michigan

Honorary Consultant, Department of Oral and Maxillofacial Surgery,

King's Hospital, London, U.K.

Honorary Consultant, Department of Oral and Maxillofacial Surgery,
Guy's Hospital, London, U.K.

Private Practice: Ian T. Jackson, M.D., P.C.

**Previous
Appointments:**

Undergraduate: University of Glasgow (1952-1959)

Internships: Internal Medicine/General Surgery, Glasgow Royal
Infirmary (1959-1960)

Residencies: Resident in Pathology, Glasgow Royal Infirmary (1960-
1962)

Resident in Surgery, Glasgow Royal Infirmary
(Eastern District Hospital - (1962-1965).

Resident in Plastic Surgery, Glasgow Royal Infirmary
(1965-1967)

Senior Resident in Plastic Surgery, Canniesburn
Hospital (1967-1969)

Consultant Plastic Surgeon

Glasgow, Scotland (1969-1979):

West of Scotland Regional Plastic Surgery Service, Canniesburn
Hospital, Glasgow Royal Infirmary, Glasgow

Centre for Rheumatic Diseases, Glasgow

Honorary Clinical Lecturer, University of Glasgow

Secretary, British Plastic Surgery Research Committee

Mayo Clinic (1979-1989):

Consultant Plastic Surgeon, Mayo Clinic
Head, Section of Plastic Surgery, Mayo Clinic

Professor of Plastic Surgery, Mayo Medical School

Providence Hospital (1989 to Present):

Director, Institute for Craniofacial and Reconstructive Surgery, affiliated with Providence Hospital

Director, Craniofacial Cleft Palate Diagnostic Clinic, affiliated with Providence Hospital

Chairman Institutional Review Board, Department of Physiology, Providence Hospital

Member 1990 Medical Education Committee

Member 1991 Medical Education Committee, Research Allocation, Operating Room Committee

Member 1992 Medical Education Committee, Research & Publication Committee, Operating Room Committee

Postgraduate Awards:

- 1968 Lock Traveling Fellowship, Royal College of Surgeons, Glasgow
- 1968 McCunn Traveling Fellowship (used for six month study visit to Scandinavia, Germany, and Switzerland)
- 1984 Junior Visiting Professor, Plastic Surgery Educational Foundation
- 1991 Isidor Kaplan Prize, Israel Society of Plastic & Reconstructive Surgeons (re: papers on pig study and galeal study)
- 1992 Clinician of the Year, American Association of Plastic Surgeons
- 1993 Senior Visiting Professor, Plastic Surgery Educational Foundation
- 1996 Sir Harold Gillies Gold Medal, British Association of Plastic Surgeons
- 1998 Royal College of Surgeons of Edinburgh Medal
- 1999 Honorary Award, American Association of Plastic Surgeons

Medical Societies:

- American Association of Plastic Surgeons (Nominating Committee, 1986)
- American Cleft Palate Association
- American College of Surgeons
- American Medical Association
- American Society of Head and Neck Surgeons
- American Society of Maxillofacial Surgeons
- American Society for Aesthetic Plastic Surgery

American Society of Plastic and Reconstructive Surgeons (Maliniac Lecturer Selection Committee - 1986)
American Society of Craniofacial Surgery
Association of Academic Chairmen of Plastic Surgery
Basque Society of Plastic Surgeons
British Association of Plastic Surgeons
Canadian Society of Plastic Surgeons
Club Morestin
Detroit Surgical Association
European Association of Cranio-Maxillofacial Surgery
European Association of Plastic Surgeons
International Confederation for Plastic and Reconstructive Surgery: Chapter of Craniomaxillofacial Surgery (founder and committee member)
International Craniofacial Club
International Medical Institute, Medical Advisory Board Member
International Society of Aesthetic Plastic Surgeons
International Society of Craniomaxillofacial Surgery
International Society of Surgical Simulation (founding member)
International Society for Skull Base Surgery (founding member)
International Society of Pediatric Skull Base (founding member)
Jaime Planas Society of Plastic Surgeons
Michigan Academy of Plastic Surgeons
Michigan State Medical Society
Midwestern Association of Plastic Surgeons (Treasurer, 1994-96; Vice-President, 1996-97, President-Elect, 1997-98; President 1999-2000)

Minnesota Academy of Plastic Surgeons (Secretary/Treasurer, 1983-84;
Vice President, 1984-85; President, 1985-86)
Minnesota Medical Association
National Vascular Malformations Foundation, Inc., Medical and Scientific
Advisory Board
North American Skull Base Society (founding member; Director-at
Large, non ENT/neurosurgery, 1997-98; President-Elect, 1999-2000;
President, 2000-2001)
Oakland County Medical Society (active member)
Priestley Society
Royal College of Surgeons, Glasgow
Royal College of Surgeons, Edinburgh
Royal Australasian College of Surgeons
Tord Skoog Society of Plastic and Reconstructive Surgeons (president and
secretary, 1983-86)
Society of Head and Neck Surgeons - Long Range Planning Committee
Spanish Society of Hand Surgery
Zumbro Valley Medical Society

Honorary Memberships:

Association of Surgeons of India
Association of Plastic Surgeons of India
Australasian Society of Plastic and Reconstructive Surgeons
Basque Society of Plastic and Reconstructive Surgeons
British Association of Aesthetic Plastic Surgeons
Canadian Society of Plastic Surgery
Chilean Society of Maxillofacial Surgery
Chilean Society of Oncology
Chilean Society of Surgery
Craniofacial Society of Great Britain
Ophthalmic Plastic & Reconstructive Surgery Society
Japanese Society of Plastic and Reconstructive Surgeons
New Zealand Association of Plastic and Reconstructive Surgeons
Society of Latino-Americana Plastic Surgeons
South Africa Society of Plastic Surgeons
Swedish Society of Plastic and Reconstructive Surgery
Turkish Society of Plastic and Reconstructive Surgery

Training: Pathology, General Surgery, Plastic Surgery

Journals: Editor, EUROPEAN JOURNAL OF PLASTIC SURGERY
Editor, PLASTIC SURGERY OUTLOOK
Editorial Board, PERSPECTIVES IN PLASTIC SURGERY
Editorial Board, PLASTIC AND RECONSTRUCTIVE SURGERY
Editorial Board, QUARTERLY JOURNAL OF SURGICAL SCIENCES,
Banaras Hindu University of India
Editorial Council, CIRURGIA MAXILLOFACIALIS AND PLASTICA,
Yugoslavia
Editorial Board, AMERICAN JOURNAL OF RHINOLOGY
Editorial Board, THE CLEFT PALATE JOURNAL
Editorial Board, CIRURGIA GASTRO & GINECOLOGIA SURGERY,
South America
Editorial Board, JOURNAL OF OPHTHALMIC PLASTIC &
RECONSTRUCTIVE SURGERY
Editorial Board, JOURNAL OF COMPUTER-AIDED SURGERY
Advisory Board, Facial Disfigurement Center, U.K.
Advisory Board, LET'S FACE IT, Concord, MA
Associate Editor, JOURNAL OF SKULL BASE SURGERY
Member of the Publications Committee, North American Skull Base Society
Senior Editor, PLASTIC SURGICAL TECHNIQUES, Tzrifin, Israel
Medical Advisory Board, Children's Craniofacial Association, Executive
Committee
Editorial Board, ON LINE JOURNAL OF PLASTIC AND
RECONSTRUCTIVE SURGERY

Visiting Professorships:

1971 Akron, Ohio

1973 Emory University, Atlanta, Georgia
Jackson, Mississippi
University of Manitoba, Winnipeg, Canada

1974 Jackson, Mississippi

1975 Emory University, Atlanta, Georgia
University of Michigan, Ann Arbor
Halifax, Nova Scotia, Canada
Duke University, Durham, North Carolina
Southeastern Society of Plastic and Reconstructive Surgeons, Point Clear, Alabama
(Sam Upchurch Lecturer)

- 1976 Stanford University, Palo Alto, California
University of Lima, Peru
Akron, Ohio
- 1977 University of Birmingham, Alabama
- 1978 Eric Visiting Professorship, Mayo Clinic, Rochester, Minnesota
- 1979 South African Society of Plastic and Reconstructive Surgery
- 1980 University of Alabama, Birmingham
Hospital of the University of Pennsylvania, Philadelphia
Malmo, Sweden
- 1981 Duke University, Durham, North Carolina
Kansas City, Missouri
University of Michigan, Ann Arbor
Shanghai, China
Hong Kong
- 1982 University of Wisconsin, Madison
St. Louis, Missouri
Cleveland Clinic, Ohio
Emory University, Atlanta, Georgia
- 1983 University of Alberta, Edmonton, Canada
Walter Reed Army Medical Center, Washington, DC
Plastic and Reconstructive Surgeons, Inc., Akron, Ohio
New York University
Charlotte Plastic Surgery Center, Charlotte, North Carolina
University of Kansas, Kansas City, Missouri
University of Western Ontario, London, Ontario, Canada
- 1984 Missouri Surgical Society, St. Louis, Missouri
Midwestern Association of Plastic Surgeons, Chicago, Illinois
Cleft Palate Workshop, Seattle, Washington
University of Illinois, Chicago
Children's Hospital, Chicago, Illinois
Northwest Society of Plastic Surgeons, Juneau, Alaska

Scott and White Clinic, Temple, Texas
University of California, San Francisco, San Diego, Irvine

- 1985 Vanderbilt University, Nashville, Tennessee
St. Luke's Hospital, Duluth, Minnesota
University of Minnesota Duluth Medical School, Duluth
Southeastern Society of Plastic and Reconstructive Surgeons, Lake Buena Vista, Florida (Sam Upchurch Lecturer)
- 1986 Sir Benjamin Rank Visiting Professor, Royal Australasian College of Surgeons, Australia
Italian Society for Plastic Surgery, Milan, Italy
University of Iowa, Iowa City, Iowa
- 1987 University of Tsukuba, Japan
East Grinstead Hospital, England
Canniesburn Hospital, Scotland
- 1988 University of Illinois, Illinois
Queen Victoria Hospital, England
St. Andrew's Hospital, England
University of Iowa, Iowa
- 1989 University of Toronto, Toronto, Ontario, Canada
University of Utah, Salt Lake City, Utah
McGill University, Montreal, Quebec, Canada
- 1990 St. Louis University, St. Louis, Missouri
- 1991 Walter Reed Army Medical Center, Washington, DC
University Hospital, London, Ontario
Northwestern University Medical School, Chicago, Illinois
Children's Hospital, Brisbane, Australia
Hospital for Sick Children, Toronto, Canada
Rose Medical Center and the University of Colorado, Denver
- 1992 Children's Hospital Medical Center of Akron, Ohio
University of Illinois at Chicago
- 1993 University of Oklahoma Health Sciences Center
Brown University School of Medicine, Rhode Island
Children's Hospital/Methodist Hospital, Omaha, Nebraska
New York, New York

- 1994 Memorial Sloan Kettering Cancer Center, New York
University of Tennessee, Memphis, Tennessee
Kuwait
Muscat, Oman
Halifax, Nova Scotia
Singapore
Bangkok, Thailand
India
University of Virginia, Charlottesville, Virginia
Eastern Virginia University, Norfolk, Virginia
Harvard Medical School, Boston, Massachusetts
- 1995 Houston Society of Plastic Surgeons, Houston
Craniofacial Society of Great Britain, Glasgow
British Association of Oral and Maxillofacial Surgeons, Rowe Lecture, Channel Islands
Association of Head and Neck Oncologists of Great Britain, Nunn Lecture,
Birmingham, England
British Association of Plastic Surgeons, Gillies Lecture, London
Cleveland Clinic
- 1996 Chang Gung Memorial Hospital, Taipei, Taiwan
Prince of Songkla University, Hat Yai, Thailand
University of British Columbia, Vancouver, British Columbia
Ohio Valley Society for Plastic & Reconstructive Surgery
Scandinavian Association of Plastic Surgeons, Stockholm, Sweden
Marmara University Medical School, Istanbul, Turkey
Post-Graduate Institute of Medical Education and Research, Chandigarh
Navroji Godrej Visiting Professor, New Delhi
- 1997 Michael L. Lewin Memorial Lecturer
Korean Society of Plastic and Reconstructive Surgery, Seoul, Korea
- 1998 Association of Plastic Surgeons of India, Calcutta, India
Royal College of Surgeons of England, Faculty of Dental School, London, U.K. (Webb
Johnson Lecturer)
- 1999 Association of Plastic Surgeons of India, Goa, India
Chippenham Medical Center/Johnston-Willis Medical Society, Richmond, Virginia (A.
Murat Willis Lecturer)
- 2000 Association of Plastic Surgeons of India, Agra, India

2001 Houston Society of Plastic Surgeons, Houston, Texas

2002 Indian Society of Cleft Lip, Palate, and Craniofacial Anomalies, Mumbai, India
New Jersey Society of Plastic Surgeons, Mt. Laurel, New Jersey

Symposia and Courses

1976 Co-organizer for Plastic Surgery Course, Canniesburn Hospital, Glasgow, Scotland
Co-organizer for Maxillofacial Course, Canniesburn Hospital, Glasgow, Scotland

1977 Co-organizer, Plastic Surgery Course, Canniesburn Hospital, Glasgow, Scotland
Chairman, International Plastic Surgery Meeting, Canniesburn Hospital, Glasgow, Scotland

1978 Co-organizer, Plastic Surgery Course, Canniesburn Hospital, Glasgow, Scotland
Co-organizer, Maxillofacial Course, Canniesburn Hospital, Glasgow, Scotland

1979 Co-organizer, Plastic Surgery Course, Canniesburn Hospital, Glasgow, Scotland

1982 Co-Chairman, Plastic and Esthetic Surgery Course, Barcelona, Spain

1986 Co-Chairman, Plastic Surgery Educational Foundation Symposium on Major Facial Trauma, Nashville, Tennessee

1987 Co-Chairman, Butterworth Workshop on Plastic Surgery - Complications and Innovations in Plastic Surgery - Tortola, British Virgin Islands
Chairman, Plastic Surgery Course, Vitoria, Spain

1988 Co-Chairman, Butterworth Workshop on Plastic Surgery - Complications in Plastic Surgery and Cry for Help - Tortola, British Virgin Islands

1989 Co-Chairman, Third Annual British Virgin Islands Workshops on Plastic Surgery - Complications in Plastic Surgery and Cry for Help - Tortola, British Virgin Islands
Chairman, Panel on New Horizons in Head and Neck Surgery, The Fifth Congress of the Asian/Pacific Section - Istanbul, Turkey

1990 Co-Chairman, Fourth Annual British Virgin Islands Workshops on Plastic Surgery - Complications and Innovations in Plastic Surgery: Skin Tumors, Hand, Trauma, Aesthetic Surgery, Cry for Help - Tortola, British Virgin Islands
Co-Chairman, 15th International Cancer Congress - Hamburg, West Germany

1991 Co-Chairman, Fifth Annual British Virgin Islands Workshops in Plastic Surgery:

Complications and Innovations in Plastic Surgery: Skin Tumors, Hand, Trauma, Aesthetic Surgery, "Cry for Help" - Tortola, British Virgin Islands
Sponsor, Recent Advances in Head & Neck Cancer Surgery, presented by the Institute for Craniofacial and Reconstructive Surgery and the Department of General Surgery at Providence Hospital

- 1992 Co-Chairman, Sixth Annual British Virgin Island Workshops in Plastic Surgery: A disaster in cleft lip repair; Penetrating mid-face tumors; The cervical tube pedicle; A new approach to mastectomy and immediate breast reconstruction.
- 1993 Co-Chairman, Seventh Annual British Virgin Island Workshop in Plastic Surgery
- 1994 Co-Chairman, Eighth Annual British Virgin Island Workshop in Plastic Surgery
- 1995 Co-Chairman, Ninth Annual British Virgin Island Workshop in Plastic Surgery
- 1996 Co-Chairman, Tenth Annual British Virgin Island Workshop in Plastic Surgery
- 1997 Co-Chairman, Eleventh Annual British Virgin Islands Workshop in Plastic Surgery
- 1998 Co-Chairman, Twelfth Annual British Virgin Islands Workshop in Plastic Surgery
Co-Chairman, International Symposium on Plastic Surgery (PSEF/BAPS)
- 1999 Co-Chairman, Thirteen Annual British Virgin Islands Workshop in Plastic Surgery
- 2000 Co-Chairman, Fourteenth Annual British Virgin Islands Workshop in Plastic Surgery
- 2001 Co-Chairman, Fifteenth Annual British Virgin Islands Workshop in Plastic Surgery
- 2002 Co-Chairman, Sixteenth Annual British Virgin Islands Workshop in Plastic Surgery

COMMUNICATIONS:

1. British Association of Plastic Surgery, London, England, 1967
Sodium Chlorate Bomb Injuries of the Hand
2. Scandinavian Plastic Surgery Association, Copenhagen, Denmark, 1968
Klorex Injuries of the Hand
3. European Plastic Surgical Association, Brighton, England, 1969
A Radical Approach to the Cleft Lip Nose
4. British Medical Association, Aberdeen, Scotland, 1969
Rheumatoid Hand Surgery
5. British Association of Plastic Surgery, Aviemore, England, 1970
Film - Metacarpophalangeal Joint Replacement Arthroplasty in Rheumatoid Arthritis
6. German Association of Plastic Surgery, Munich, Germany, 1970
Facial Reconstruction After Cancer Excision Using the Deltopectoral Flap
7. British Association of Plastic Surgery, London, England, 1970
The Broad Nose (Hypertelorism)
8. German Association of Plastic Surgery, Ludwigshafen, Germany, 1971
Keratoacanthoma and Allied Lesions
9. British Association of Plastic Surgery, London, England, 1971
Self-healing Squamous Carcinoma
10. British and French Association, Deauville, France, 1972
A Reappraisal of Cleft Lip Repair
Silastic Sheet Arthroplasty of the Wrist in Rheumatoid Arthritis
11. British Society for Surgery of the Hand, Harrogate, England, 1973
Use of Swanson Prostheses in Metacarpophalangeal Joints in Rheumatoid Arthritis
Comparison of Finger Joint Prostheses
12. Second European Congress of Plastic and Reconstructive Surgery, Madrid, Spain, 1973
Film - Correction of Hypertelorism

13. Second International Congress in Cleft Lip and Palate Surgery, Copenhagen, Denmark, 1973
Long-Term Follow-up of Bone Grafting in Secondary Palatal Fistulae
14. ASPRS, Miami, Florida, 1973
LeFort II Osteotomy in Maxillofacial Deformities
15. British Society for Surgery of the Hand (Instructional Course), London, England, 1973
Methods of Arthroplasty in the Rheumatoid Hand
16. American Ed. Foundation for Plastic and Reconstructive Surgery -- Symposium on Orbital Surgery, Dallas, Texas, 1974
Surgical Correction of the Eyelid Problem in Facial Palsy
17. British Society for Surgery of the Hand, Oxford, England, 1974
Interpositional Arthroplasty of the Elbow
18. British Association of Plastic Surgery, London, England, 1974
Complications of Craniofacial Surgery
19. Club Morestin Meeting, 1975
LeFort II Osteotomy
20. The Samuel Upchurch Guest Lectures, Southeastern Society of Plastic Surgery, Alabama, 1975
Surgery of the Rheumatoid Hand
Surgery of the Secondary Cleft Lip and Palate Deformity
21. Skoog Society of Plastic Surgery, Sardinia, 1975
Maxillary Osteotomies in the Secondary Cleft Lip and Palate Deformity
22. International Society of Plastic Surgery, Paris, France, 1975
A Method of Evaluation of Craniofacial Deformities
The Sphincter Pharyngoplasty
Finger Joint Prosthesis in Rheumatoid Arthritis (Rheumatoid Hand Symposium)
23. British Craniofacial Society, Glasgow, Scotland, 1975
Surgery of the Primary Cleft Lip and Palate Deformity
Surgery of the Secondary Cleft Lip and Palate Deformity
Crano-Orbital Surgery

24. Conference on Plastics in Medicine and Surgery, Glasgow, Scotland, 1975
Body and Space Implants
25. British Association of Plastic surgery, London, England, 1975
Procedures Available for Breast Reconstruction
26. British Society for Surgery of the Hand, Leicester, England, 1976
A New Method of Stabilizing Trapezium Implants
27. Cleft Palate Meeting, San Francisco, California, 1976
Maxillary Osteotomies for Secondary Cleft Lip and Palate Deformities
Craniofacial Surgery (Symposium)
28. American Educational Foundation for Plastic and Reconstructive Surgery -
Symposium on Jaw Deformity, Philadelphia, Pennsylvania, 1976
Midface Retrusion
Maxillary Deformity in Cleft Lip and Palate
29. Florida Society of Plastic and Reconstructive Surgery, Puerto Rico, 1976
Local Flaps on the Face
30. British Association of Plastic Surgeons, London, England, 1977
Unusual Pediatric Conditions in Plastic Surgery (Instructional Course)
Skull Reconstruction Using Methyl Methacrylate
31. American Society of Head and Neck Surgeons, Toronto, Canada, 1978
Facial Flaps in Cancer
32. Craniofacial Society, Manchester, 1978
Further Applications of Craniofacial Surgery
33. European Society of Maxillofacial Surgery, Venice, Italy, 1978
Treatment of Craniofacial Tumors
Treatment of Globe Protrusion
34. British Association of Plastic Surgeons, London, England, 1978
Treatment of Orbital Tumors
35. Chilean Society of Maxillofacial Surgery, Santiago, Chile, 1979
Treatment of Craniofacial Deformity
36. International Society of Plastic and Reconstructive Surgery, Rio de Janeiro, Brazil,
1979

Treatment of Cranio-Orbital Fibrous Dysplasia

37. British Association of Plastic Surgeons, Glasgow, Scotland, 1979
Early Treatment of Craniofacial Deformity
38. British Association of Speech Therapists, Warwick, 1979
Management of Velopharyngeal Incompetence
39. ASPRS, Toronto, Canada, 1979 - The Sandwich Abbé Flap
40. British Association of Plastic Surgeons, London, England, 1979
Review of 150 Cases of Bone Grafting in Secondary Cleft Lip and Palate
41. Royal Odontological Society, Edinburgh, Scotland, 1979
Cleft Lip Deformity - Analysis and Treatment
42. Fourth Annual Flap Dissection Workshop, Norfolk, Virginia, 1980 (Participant)
43. Third International Symposium of Manhattan Eye, Ear & Throat Hospital, New York, 1980
Nasolacrimal Duct Reconstruction
44. ASPRS, New Orleans, Louisiana, 1980
Update in Management of Facial Palsy (Moderator)
Update on Facial Bone Reconstruction (Panelist)
Systematic Approach to Tumors of the Base of the Skull
45. Scandinavian Society of Plastic Surgery, Iceland, 1980 (Guest of Honor)
American Medicine Today
Management of Secondary Cleft Lip and Palate Deformity
Reconstruction of Severe Midface Injuries
46. British Postgraduate Medical Federation - Advanced Course in Plastic Surgery, Oxford, England, 1980
Cleft Lip Management
Cleft Palate Management
Maxillary Growth and Development and Orthodontics in Cleft Lip and Palate
Subcranial Facial Deformity Management
Management of Hypertelorism
47. American Association of Oral and Maxillofacial Surgeons, Chalmers Lyons Lecture, San Francisco, California, 1980
The Wide World of Facial Deformity

48. Volvo Meeting on Facial Deformity, Goteborg, Sweden, 1980
 - Management of Acute Craniofacial Trauma
 - Management of Facial Asymmetry
 - Management of Premature Fusion of Metopic Suture
49. Visiting Professor, Malmo, Sweden, 1980
 - Reconstruction of Large Post-Traumatic Midface Problems
 - Midface Retrusion
50. Visiting Lecturer, Marshall University School of Medicine, Huntington, West Virginia, 1980
 - New Horizons in Reconstructive Plastic Surgery
51. Southern Medical Association, Honorary Guest, San Antonio, Texas, 1980
 - Nasal Deformity - A Complex Problem
 - Blepharoplasty in Craniofacial Cases
52. Zumbro Valley Dental Society, Rochester, Minnesota, 1981
 - Management of Craniofacial Deformity
53. Visiting Professor, Duke University Medical Center, Durham, North Carolina, 1981
 - Recent Developments in Cleft Lip and Palate and Craniofacial
 - Recent Developments in Craniofacial Surgery
54. Twenty-First Annual Dental Reviews, Rochester, Minnesota, 1981
 - The Broad Horizon of Craniofacial surgery: From Canine to Cranium
55. International Association for Dental Research, Symposium - "Origin and Correction of Dentofacial Deformities, Chicago, Illinois, 1981
 - Surgical Management of Severe Malformations

56. Utah Society of Oral and Maxillofacial Surgery, Course: "Team Approach to Congenital and Acquired Craniofacial Deformity", Salt Lake City, Utah, 1981
 - The Team Concept
 - Midface Osteotomy
 - Early Management of Cleft Lip and Palate
 - Secondary Soft Tissue in Revision in Cleft Lip and Palate
 - Hemifacial Microsomia
 - Orbital and Frontal Bone Reconstruction

57. Joint Meeting: Institute of Reconstructive Plastic Surgery at NYU Medical Center and Chinese Academy of Medical Sciences, Peking, China, 1981
 - Eyelid Reconstruction
 - Midface Osteotomies
 - Orbital Frontal Fractures
 - Craniofacial Tumors
 - Secondary Cleft Palate Problems
 - The Use of Small Flaps on the Face

58. Fourth Congress of the European Plastic Surgery Association, Athens, Greece, May 1981
 - A Method of Enophthalmos Correction
 - A Craniofacial Approach to Advanced Midface Cancers
 - Composite Defects of the Midface - A New Approach
 - Long-Term Follow-Up of Bone Grafts in Secondary Cleft Lip and Palate Reconstruction
 - Cranio-Orbital Neurofibroma - Anatomy and Treatment

59. Canadian Society of Plastic Surgeons, Vancouver, British Columbia, June 1981
 - Management of Nasal Deformity in Cleft Lip and Palate
 - Management of Facial Palsy
 - Tumors of the Base of the Skull

60. Visiting Professor, Kansas City, Missouri, August 1981
 - Craniofacial Problems Related to the Orbit and Periorbital Region

61. O'Leary Meeting, Mayo Clinic, Rochester, Minnesota, September 1981
 - Surgical Management of Profound Facial Deformities

62. American Society of Plastic and Reconstructive Surgical Nurses Seminar - "Reconstructive Plastic Surgery for Nurses", September 1981
 - Treatment of Maxillofacial and Craniofacial Deformity

63. Mayo Alumni Association, 51st International Meeting, Montreal, Quebec, October 1981

Craniofacial Reconstruction

64. American Society of Dentistry for Children, Minneapolis, Minnesota, November 1991
The Treatment of Cleft Lip and Palate Deformity
65. Visiting Professor, Ninth People's Hospital, Shanghai, China, April 1981
Management of Midface Retrusion
66. Visiting Professor, Princess Margaret Hospital, Hong Kong, April 1981
Management of Acute Craniofacial Trauma
67. Symposium on the Interface of Aesthetic and Reconstructive Surgery of the Face, Stowe, Vermont, October 1981
Management of Facial Asymmetry
68. Second Annual Postgraduate Course in Plastic Surgery - NYU Medical School, New York, November 1981
Secondary Problems
Keloids, Scars
Axial Pattern and Cutaneous Flaps
Craniofacial Resection for Tumor
Indications and Complications of Flap Surgery (Panelist)
Reconstruction of Pharynx and Mandible (Panelist)
69. Towsley Visiting Professor, University of Michigan, Ann Arbor, Michigan, December 1981
Management of Facial Asymmetry
Treatment of Cleft Lip and Palate
Advances in Craniofacial Trauma
Craniosynostosis and Hypertelorism
Midface Retrusion
Management of Secondary Cleft Lip and Palate Deformity
70. Visiting Professor, Detroit, Michigan, December 1981
Resection of Tumors of the Skull Base
71. Visiting Professor, University of Wisconsin, Madison, Wisconsin, January 1982
Treatment of Craniosynostosis and Hypertelorism
Treatment of Midface Retrusion
Advances in Craniofacial Trauma and Treatment
Advances in Treatment of Craniofacial Tumors
72. Plastic Surgery Educational Foundation, Seminar - "Problems in Aesthetic Surgery",

Scottsdale, Arizona, February 1982

Fat Curettage for Body Contour Defects

The Use of Lyophilized Dura to Augment Pectoralis Major in Subcutaneous Mastectomy

Fine Points in Augmentation and Reduction Mammoplasty

Rectus Abdominis Flap for Breast Reconstruction

Problems in Breast Reconstruction and Subcutaneous Mastectomy (Panelist)

Advanced Symposium on Aesthetic Surgery

73. Mayo Regional Visiting Faculty Program, Waconia Ridgeview Hospital, March 1982
State of the Art in Plastic Surgery

74. Italian Society of Plastic Surgery, Course - "Present Status of Craniofacial Surgery", Rome, Italy, March 1982
 - Management of Acute Craniofacial Injuries
 - Management of Craniofacial Tumors
 - Early Surgery of Craniofacial Tumors
 - Gustatory and Olfactory Function in Craniofacial Syndromes (Discussant)
 - Periorbital Tumors (Discussant)
75. James Barrett Brown Visiting Professor, Washington University, St. Louis, Missouri, April 1982
 - Surgery of the Rheumatoid Hand
 - Secondary Cleft Lip and Palate Deformities
 - Surgical Resection of Craniofacial Tumors
76. Ninth Annual Meeting, ACPEF, Denver, Colorado, April 1982
 - Cleft Lip, Palate and Craniofacial Rehabilitation Around the World (Participant, international forum)
 - Follow-Up Clinic (Panelist: Sphincter Pharyngoplasty in V.P. Incompetence)
 - Experience With Alveolar Bone Grafting in Cleft Palate Patients in the Mixed Dentition Phase
77. Dermatology Reviews, Mayo Clinic, Rochester, Minnesota, April 1982
 - Can Birth Defects be Reversed Surgically?
78. Ophthalmic Reviews, Mayo Clinic, Rochester, Minnesota, April 1982
 - Advances in Craniofacial Surgery
 - New Approach to Management of Orbital Neurofibromatosis
79. Seventh Course of Plastic and Esthetic Surgery, Clinica de Cirugia Plastica y Estetica, Dr. Planas, Barcelona, Spain, May 1982
 - Treatment of Craniofacial Trauma
 - Treatment of Craniofacial Tumors
 - Methods Available for Treatment of Facial Palsy
 - Management of Primary Cleft Lip Deformity
 - Management of Secondary Cleft Lip and Palate Deformity
 - Mammoplasty (Panel Chairman)
80. Caring Cross Hospital, Symposium - "Paediatric Frontiers", London, England, May 1982
 - Changing the Face of Paediatrics
81. University of Barcelona, Course on "Nasal and Orbital and Periorbital Surgery", Barcelona, Spain, May 1982

Nasal Reconstruction After Trauma or Tumor Resection
Reconstruction of Major Nasal Deformity
Treatment of Orbital Trauma
Treatment of Tumors of the orbit and Periorbital Area

82. Sixth Annual Flap Dissection Workshop, East Virginia Medical School, Norfolk, Virginia, June 1982
 - Axial Pattern Skin Flaps
 - Instructor, two cadaver dissection sessions
 - Two Short Presentations with Videotapes: Trapezius Myocutaneous Flap, Deltpectoral Flap
 - Three Tutorials on Pectoralis Major Myocutaneous Flaps in Head and Neck Surgery and Local Flaps in Reconstructive Procedures in the Head and Neck Area

83. Visiting Professor, Cleveland Clinic, Cleveland, Ohio, August 1982
 - Craniofacial Tumors
 - Craniofacial Trauma

84. Visiting Professor, University of Minnesota Oral Surgery Seminar - "Craniofacial Anomalies", September 1982
 - Management of the Cleft Palate Patient
 - Surgical Management of Complex Craniofacial Problems

85. American Society of Ophthalmic Plastic and Reconstructive Surgery, International Symposium on Eyelid, Orbital and Lacrimal Surgery, San Francisco, California, October 1982
 - Surgical Treatment of Neurofibroma of the Orbit

86. University of Stellenbosch - "Course in Plastic and Reconstructive Surgery", Capetown, South Africa, October 1982
 - Flaps Updated
 - Management of the Traumatized Hand: Skin Cover
 - The Rheumatoid Hand
 - Secondary Surgery of Cleft Lip, Palate and Nose
 - The Management of Hemangioma in Children
 - Cosmetic Rhinoplasty and Augmentation Mentoplasty
 - Management of Traumatic Enophthalmos
 - Head and Neck Cancer: Reconstruction After Cancer Surgery

87. NYUMedical Center: Third Annual Review of Plastic and Reconstructive Surgery, New York, November 1982
 - Cleft Lip: Secondary Problems Keloids, Scars, Cutaneous Skin Flaps
 - Craniofacial Resection for Tumor
 - Tutorials: Cleft Lip and Palate: Secondary Repair, Scars, Axial Pattern Flap, Cranio-Orbital Tumors

88. Visiting Professor, Montefiore Hospital, New York, November 1982
Classification and Treatment of Skull Base Tumors
89. Visiting Professor, University of Iowa, Iowa City, Iowa, November 1982
Treatment of Cleft Lip and Palate, Primary and Secondary: Classification and
Surgery
Base of Skull Tumors

90. Northwestern University: Ninth Annual Postgraduate Course in Plastic Surgery, Chicago, Illinois, November 1982
Craniofacial Surgery
91. Fifth International Congress of the Hospitals of San Juan de Dios, Caracas, Venezuela, November 1982
Midface Osteotomies
Craniofacial Tumors in Children
Craniofacial Injuries
Facial Palsy
Cleft Lip and Palate - Primary Repair
Craniofacial Surgery in Children
Congenital Hand Surgery
Local Facial Flaps
Treatment of Velopharyngeal Incompetence
Congenital Malformations of the Hand (Round Table)
92. Visiting Professor, University of Alberta, Edmonton, January 1983
Radical Treatment of Base of Skull Tumors
93. 26th Annual Meeting of the Central Association of Dentists & Physicians, Aspen, Colorado, February 1983
Plastic Surgery in the Older Patient
94. Sociedad Jaime Planas de Cirugia Plastica: First International Symposium, Curitiba, Parana, Brazil, March 1983
New Developments in Pediatric Plastic Surgery
The State of Craniomaxillofacial Surgery
Facial Asymmetry
Midface Osteotomies
Cleft Lip and Palate - Secondary Repair
Crano-Orbital Tumors
Craniofacial Tumors in Children
Hypertelorism
Craniosynostosis
Facial Paralysis
Craniomaxillofacial Surgery (Moderator, Round Table)
Aesthetic Facial Surgery (Moderator, Round Table)
Tumors (Round Table)
95. Endocrine Grand Rounds, Mayo Clinic, Rochester, Minnesota, March 1983
A Case of Acromegaly

96. Visiting Professor, Walter Reed Army Medical Center, Washington, April 1983
Grand Rounds: Diagnosis and Treatment of Skull Base Tumors
Analysis and Treatment of the Primary Cleft Deformity
Treatment of Secondary Cleft Lip and Palate Deformities
97. Minnesota Association of Nurse Anesthetists: Continuing Education Program, Rochester, Minnesota, April 1983
Surgical Management of Facial Deformities and Craniofacial Malignancies
98. American Society for Aesthetic Plastic Surgery Annual Meeting, Los Angeles, California, April 1983
Course Instructor: Suction Lipectomy
99. Head and Neck Cancer Symposium, St. Elizabeth Hospital, Youngstown, Ohio, April 1983
Management of Tumors of the Base of the Skull
Management of Carcinoma of the Tongue and Floor of Mouth
100. Visiting Professor, Akron, Ohio, April 1983
Grand Rounds: New Developments in Craniofacial Surgery
Midface Osteotomies
Treatment of Head and Neck Angiomas
101. Montana Cleft Palate Association/Montana Speech, Language and Hearing Association: Joint Meeting, Butte, Montana, April 1983
What's New in Primary Cleft Lip and Palate Surgery
Management of Velopharyngeal Incompetence
Reconstructive Surgery for the Secondary Cleft Lip and Palate Deformity
102. Society of Head and Neck Surgeons Annual Meeting, New Orleans, Louisiana, 1983
Treatment of Tumors Involving the Anterior Cranial Fossa
103. Midwestern Association of Plastic Surgeons Annual Meeting, Fontana, May 1983
Treatment of Tumors of the Base of the Skull
Primary Treatment of Cleft Lip and Palate
Panelist: Cleft Lip and Palate
104. Visiting Professor, New York University, New York, June 1983
Surgical Resection of Difficult Head and Neck Tumors
105. International Congress of Plastic and Reconstructive Surgeons, Montreal, Quebec, June 1983
Chairman: Paper Session

- A Fresh Look at the Malar Fracture: A New Classification
106. First International Meeting, Craniofacial Society of Great Britain: "Cleft Lip and Palate - Long-Term Results and Future Prospects", Birmingham, England, July 1983
The Failure of Primary Treatment and its Consequences
Session Chairman: The Initial Surgery in Cleft Lip and Palate
Closing Discussion (by invitation): Future Prospects
 107. Annual Fall Seminar for Recovery Room Nurses, Rochester, Minnesota, September 1983
Craniofacial Reconstructive Surgery
 108. Visiting Professor, Charlotte Plastic Surgery Center, Charlotte, North Carolina, September 1983
Recognizing Facial Deformities in Children
Reconstruction of Head and Neck Problems
 109. Ninth Annual Mayo Clinic Seminar for Nurse Anesthetists, Rochester, Minnesota, September 1983
Craniofacial Surgery and its Anesthetic Implications
 110. Visiting Professor, University of Kansas, Kansas City, Kansas, September 1983
Classification and Surgical Management of Tumors of the Base of the Skull
Traumatic and Post-traumatic Orbitofacial Deformities
Surgical Management of the Cleft Palate
 111. Comprehensive Management of Birth Defects Seminar, University of Kansas, Kansas City, Kansas, September 1983
Development of Craniofacial Surgery: Vision for its Future
 112. Northwestern University Tenth Annual Postgraduate Course in Plastic Surgery, Chicago, Illinois, November 1983
Cranio-Orbital Anomalies
Craniofacial Tumors
Cranio-orbital Tumors
 113. University of Western Ontario, Ethicon Visiting Professorship, London, Ontario, November 1983
Seminar: Wound Healing and Skin Grafting
Treatment of Acute Craniofacial Trauma
Treatment of Facial Palsy
Craniofacial Tumors

114. Sixth Annual British Virgin Islands Medical Conference: "New Concepts and Challenges in Today's Medicine and Surgery", Road Town, Tortola, BVI, February 1984
 - Treatment of Midface Retrusion
 - New Approaches in Craniofacial Surgery for Tumors and Trauma
115. Mankato State University Speech Pathology Club, Mankato, Minnesota, February 1984
 - Surgery of Cleft Lip and Palate
 - Speech Problems Related to Cleft Lip and Palate
116. XI Alpine Workshop on Plastic Surgery, Meribel, France, March 1984
 - Another Elephant Man
 - Skull Bone Grafts in Nasal Reconstruction
 - "Pocket" Bone Grafting
 - Facial Palsy - Dynamic Reconstruction
 - Extensive Linear Nevus, Lower Limb
117. Missouri State Surgical Society, Annual Meeting, St. Louis, Missouri, March 1984
 - Advances in the Treatment of Base of Skull Tumors - Benign and Malignant

118. 10th Congress, International Association for Maxillofacial Surgery, Pediatric Maxillofacial Symposium, Detroit, Michigan, April 1984
Secondary Cleft Lip and Palate Deformity - Prevention And Treatment
Resection and Reconstruction of Craniofacial Trauma Children
Panelist: Cleft Lip and Palate
Congenital Anomalies and Neoplasms of the Maxillofacial Region in Children
119. Midwestern Association of Plastic Surgeons, Annual Meeting, Chicago, Illinois, 1984
First Cut - Best Cut: Can We Prevent Secondary Cleft Deformity?
Facial Osteotomies for Tumor Exposure and Resection
Analysis and Treatment of Orbitozygomatic Fractures
120. Cleft Palate Symposium, Seattle, Washington, May 1984
Primary Veloplasty
Pharyngeal Flap Superiorly Based: How I Do It
Other Surgical Procedures in Treatment of Velopharyngeal Incompetence
Cleft Lip Repair
Secondary Procedures in Cleft Lip and Palate
121. Midwest Cleft Lip and Palate Group, Inaugural Meeting, Kalamazoo, Michigan, June 1984
Panel Member
Discussion of problem cases
122. Academic Plastic Surgery Forum, 15th Anniversary Meeting, Ann Arbor, Michigan, June 1984
Treatment of Craniofacial Tumors
Glomus Vagale: Its Diagnosis and Management
123. North American Working Group on Cleft Palate, Inaugural Meeting, Bronx, New York, July 1984
Professional Observer/Commentator
124. International Conference on Head and Neck Cancer, Baltimore, Maryland, July 1984
Paper and Poster: Osteotomies to Facilitate Skull Base Tumor Resection
Panel: Skull Base Surgery
125. Visiting Professor, University of Illinois, Chicago, Illinois, August 1984
Management of Primary Cleft Lip and Palate
Management of Secondary Cleft Lip and Palate
Recent Advances in Facial Deformity Surgery
Surgery for Craniofacial Anomalies

Three-Dimensional Imaging of Face and Skull

126. Visiting Professor, Children's Hospital, Chicago, Illinois, August 1984
Craniofacial Surgery Update
127. American Association of Nurse Anesthetists, Annual Meeting, Chicago, Illinois, August 1984
Anesthetic Problems in Neck Dissection
128. Northwest Society of Plastic Surgeons, Annual Convention, Juneau, Alaska, August 1984
Tissue Expansion in Breast Reconstruction
Karapandzic Cleft Lip Repair
129. Visiting Professor, Scott and White Clinic, Temple, Texas, September 1984
Treatment of Primary Cleft
Flap Reconstruction of the Face
Craniofacial Surgery and Its Application to Tumors and Trauma
Treatment of Previous Cleft Palate
Causes and Treatment of Velopharyngeal Incompetence
Three-Dimensional Imaging in Craniofacial Surgery
130. Gamma Club, Glasgow, Scotland, October 1984
131. American Society of Plastic and Reconstructive Surgeons Annual Meeting, Las Vegas, Nevada, October 1984
Course Instructor: Management of Difficult Cleft Palate Problems
132. American College of Surgeons 70th Clinical Congress, San Francisco, California, October 1984
Course Instructor: Management of Arteriovenous Malformations of the Head and Neck
133. Visiting Professor, University of California, San Francisco, California, October 1984
Treatment of Facial Palsy
134. Visiting Professor, University of California, San Diego, California, October 1984
Recent Advances in Craniofacial Surgery
Management of Secondary Cleft Lip and Palate Deformity
Three-Dimensional Imaging in Facial Surgery
135. Visiting Professor, University of California, Irvine Medical Center, Orange, California, October 1984

- Treatment of Facial Palsy
First Cut - Best Cut: Can We Prevent Secondary Cleft Lip Deformity?
Hemangiomas of the Head and Neck Area
Speech Problems and Their Management in Cleft Palate
136. Society of Clinical Surgery, Rochester, Minnesota, November 1984
Excision and Reconstruction for Base Skull Tumors
 137. Northwestern University Eleventh Annual Postgraduate Course in Plastic Surgery, Chicago, Illinois, November 1984
Cranio-Orbital Anomalies
Craniofacial Trauma
Cranio-Orbital Tumors
 138. American Academy of Facial Plastic and Reconstructive Surgery, Midwestern Region Meeting, Rochester, Minnesota, January 1985
Surgical Reconstruction of Congenital Craniofacial Deformities
 139. Visiting Professor, Queen Elizabeth Hospital, St. Thomas, Barbados, January 1985
Management of Unusual Head and Neck Tumors
 140. Seventh Annual British Virgin Islands Medical Conference, Road Town, Tortola, February 1985
Treatment of Hemangiomas
New Advances in Three-Dimensional Imaging
 141. Thuss Visiting Lecturer, Vanderbilt University, Nashville, Tennessee, March 1985
Treatment of the Primary Cleft Lip and Palate Deformity
Use of Three-Dimensional CT Imaging in Craniofacial Surgery
Hypertelorism
Craniofacial Correction of Traumatic Defects
 142. Samuel N. Litman Memorial Lecturer, St. Luke's Hospital, Duluth, Minnesota, April 1985
Recent Advances in Craniofacial Surgery for Deformity and Tumor
 143. Visiting Professor, University of Minnesota Medical School, Duluth, Minnesota, April 1985
The Use of Computers in Craniofacial Surgery for Deformity and Tumor
 144. Visiting Professor, Duluth Family Practice Center Residency Program, Duluth, Minnesota, April 1985
Treatment of Hemangiomas of the Head and Neck

145. Recent Advances in Breast Reconstruction Including Tissue Expansion, University of Bradford, England, April 1985
 - Subcutaneous Mastectomy
 - Breast Reconstruction With Rectus Abdominis Flap
 - Tissue Expansion in Breast Reconstruction
 - The Other Breast

146. Midwestern Association of Plastic Surgeons, Wichita, Kansas, May 1985

 - A Fresh Look at Head and Neck Trauma
 - Vascular Lesions of the Head and Neck Area
 - Craniofacial Surgery: Treatment of Various Deformities Including Cleft Lip and Palate
 - Subcutaneous Mastectomy and Other Treatment for Noninvasive
 - Panelist: Breast Lesions
 - Implant Materials in the Head and Neck Area
 - Eyelid Reconstruction
191. First Chinese International Congress on Oral Maxillofacial Surgery, Shanghai, China, May 1988
 - The Treatment of Primary Cleft Lip and Palate
 - The Treatment of Secondary Cleft Lip and Palate Deformities and Speech Abnormalities
 - Classification of Neurofibroma of the Orbit in Relation to Treatment

A New Dynamic Classification of Hemangioma and AV Malformations in the Head
and Neck Area

192. Sixth International Symposium - Neurological Surgery of the Ear and Skull Base, Zurich, Switzerland, May-June 1988
 - Craniofacial Approach for Anterior Skull Base
 - Anterior Craniofacial Approach
 - Panel Moderator: Management of Tumors of the Anterior Skull Base
 - Rehabilitation of the Face Without Facial Nerve - Techniques and Results
 - Panelist: Rehabilitation of the Face Without Facial Nerve

193. First International Symposium on Orbital Plastic Surgery, San Francisco, California, June 1988
 - Course Co-Chairman
 - The Orbitozygomatic Fracture
 - Mechanism of Eye Displacement
 - Treatment Modalities of Orbital Tumors
 - Limited Techniques of Hypertelorism Correction

194. Second International Conference on Head and Neck Cancer, Boston, Massachusetts, July-August 1988
 - Member of Conference Program Committee
 - Results and Prognosis Following Surgery for Malignant Tumors of the Skull Base
 - Panelist: Skull Base Surgery for Carcinoma
 - Skull Base Tumors - Method of Approach and Techniques to Prevent Complications
 - Craniofacial Surgery for Invading Meningiomas
 - Merkel Cell Tumors: Head and Neck
 - Intraoperative Assessment of Resectability for Craniofacial Malignancies

195. Lecture to Detail Group, Rochester, Minnesota, September 1988
 - Breast Reconstruction

196. Clinical Reviews, Mayo Clinic, Rochester, Minnesota, September 1988
 - Breast Reconstruction

197. International Symposium on Base of Skull Surgery, Pittsburgh, Pennsylvania, September 1988
 - Craniofacial Surgery
 - Panelist: Anterior and Anterolateral Approaches to the Cranial Base

198. 18th Annual Meeting of the Association of German Plastic Surgeons, Stuttgart, West Germany, September 1988
 - Panelist: Malformations in the Head and Neck Region and Their Correction

199. International Workshop on Craniofacial Trauma, Adelaide, Australia, October 1988

Science and Research in Craniofacial Trauma

Panelist: Orbitozygomatic Fractures

Panelist: Nasoethmoidal Fracture

Panelist: Orbital Fracture

Reconstruction Strategies With Massive Craniofacial Tissue Loss, Gunshot Injuries

200. European Course in Plastic Surgery, Vitoria, Spain, October 1988
 - Tissue Expansion
 - Cleft Lip and Palate - Primary and Secondary Surgery
 - Hypertelorism - Craniofacial Surgery
 - Tumors of the Skull Base, Orbit and Maxilla
201. Visiting Professor at the University of Iowa, Iowa City, Iowa, November 1988
 - Modern Management of Acute Facial Trauma
202. Maricopa County Plastic Surgery Society and Mayo Clinic Scottsdale Surgical Society, Scottsdale, Arizona, November 1988
 - Plastic Surgery Update
 - Treatment of Hemangiomas and Arteriovenous Malformations
203. Rigid Fixation of the Craniofacial Skeleton Symposium, Baltimore, Maryland, November 1988
 - Correction of Enophthalmos and Canthal Deformities
 - Panelist: Salvage of Complications in Facial Fracture Surgery
 - Craniofacial Principles in Tumor Reconstruction
 - Salvage of Complications in Osteotomies and Tumor Surgery
 - Facial Width Problems in Craniofacial Surgery
204. Swedish Society of Aesthetic Plastic Surgeons and Swedish Medical Association, Stockholm, Sweden, December 1988
 - Rhinoplasty
 - Thureus Lecture
205. Third Annual British Virgin Islands Workshop in Plastic Surgery, Tortola, British Virgin Islands, January 1989
 - Moderator: Complications Session
 - Moderator: Cry for Help Session
 - Galea - The Upper Face Workhorse
 - Breast Reconstruction Using Becker Permanent Expanders
 - Cranial Bone Grafts to the Nose
206. 55th International Meeting of the Mayo Alumni Association, Scottsdale, Arizona, February 1989
 - Craniofacial Surgery
 - Classification and Treatment of Arteriovenous Malformations

Orbital Tumors
 214. McGill Visiting Professor, Pfizer Lectureship Series, McGill University, Montreal, Quebec, May 1989
Current Concepts of Primary Cleft Lip and Cleft Palate Repair
Resection and Primary Reconstruction of Skull Base Tumors
 215. 29th Annual Meeting of the Midwestern Association of Plastic Surgeons, Dearborn, Michigan, May 1989
The Galea - The Workhorse of the Face
 216. International Society of Craniomaxillofacial Surgeons, Florence, Italy, June 1989
An Improved Method for the Display and Analysis of Acute Facial Fractures in Three-Dimensions

The Analysis and Display of Craniofacial Tumors in Three-Dimensions
Galeal Flaps - A Craniofacial Workhorse
Extensile Approach to the Skull Base
Conservative Hypertelorism Correction
Masseter and Temporal Anatomy in DAB

217. British Association of Aesthetic Plastic Surgery, Cambridge, England, July 1989
Artistry in Aesthetic Plastic Surgery
Breast Contouring Surgery

218. British Postgraduate Medical Foundation, Cambridge, England, July 1989
Breast Augmentation
Face Lifting
Suction Lipectomy
Nasal Bone Grafts
Facial Implants
Fat Injection

219. 12th Congress of the Tord Skoog Society of Plastic Surgeons, Marseille - Provence, France, August/September 1989
The Galea: The Workhorse of the Upper Face
Immediate Reconstruction Using Becker Prosthesis: A Long-Term Follow-Up
220. International Confederation for Plastic and Reconstructive Surgery, Fifth Congress of the Asian/Pacific Section, Istanbul, Turkey, September 1989
Panel Chairman: New Horizons on Head and Neck Surgery: Extensile Approach to Skull Base
221. Thirty-Third World Congress of Surgery, International Surgical Week, Toronto, Ontario, September 1989
Panelist: Craniofacial Applications in the Management of Head and Neck Tumors
222. Providence Hospital Breast Cancer Symposium: Controversies in Resection & Reconstruction, Southfield, Michigan, September 1989
Immediate Reconstruction
223. Wayne State University, Kresge Eye Institute Grand Rounds, Detroit, Michigan, October 1989
224. American College of Surgeons Clinical Congress, Atlanta, Georgia, October 1989
Videotape: Modified Temporalis and Masseter Transfer for Correction of Facial Palsy; presented by Dr. Gregory Rinehart
Videotape: Subcutaneous Mastectomy and Mastopexy; presented by Dr. Bruce Dubin
225. American College of Surgeons Cine Clinic, Atlanta, Georgia, October 1989
Videotape: Craniofacial Reconstruction for Congenital Defects
226. New York Head & Neck Society Meeting, Manhattan, New York, October 1989
Advances in Skull Base Surgery
227. American Society of Plastic and Reconstructive Surgeons Annual Meeting, San Francisco, California, October 1989
Instructional Course: Advanced Craniofacial Surgery with Dr. Kenneth Salyer
Videotape: The Use of the Computer Workstation of Three Dimensional Imaging for Craniofacial Surgery; presented by Dr. Gregory Rinehart
228. Providence Hospital Arteriovenous Malformations Symposium, Southfield, Michigan, November 1989
General Management of Arteriovenous Malformations

229. XIX Reuniao Anual da Sociedade Portuguesa de Cirurgia Plastica e Reconstructiva,
Coimbra, Portugal, November 1989
Reconstruction of Post-Traumatic Facial Deformity and Enophthalmos
The Use of Allografts in Facial Reconstruction
Tissue Expansion Using External Valves
Immediate Breast Reconstruction Using the Becker Prosthesis

230. Grand Rounds, Mount Carmel Mercy Hospital, Department of Surgery, Detroit, Michigan, November 1989
Approaches to the Treatment of Tumors at the Base of the Skull
231. Rigid Fixation of the Craniofacial Skeleton, Baltimore, Maryland, December 1989
Management of Deformities of the Medial Canthus and Enophthalmos Correction
Craniofacial Principles in Tumor Reconstruction
Facial Width Problems in Craniofacial Surgery
Panelist: Complications of Rigid Fixation in Osteotomies
232. Detroit Academy of Oral & Maxillofacial Surgeons, Recess Club, Detroit, Michigan, December 1989
Recent Advances in Craniofacial Surgery
233. Henry Ford Hospital, Oral & Maxillofacial Surgery Continuing Education, Detroit, Michigan, December 1989
Cleft Lip and Palate - Primary Treatment
234. Fourth Annual British Virgin Islands Workshop in Plastic Surgery, Tortola, BVI, January 1990
Moderator: Complications Session
Moderator: Cry for Help Session
A Two Level Advancement of the Facial Mask
Self-Healing Squamous Carcinoma - A Surgical Enigma
3-D Imaging - The Ultimate in Informed Consent
235. Perinatal Nursing: Commitment to Enhancing Health, Providence Hospital, Novi, Michigan, February 1990
236. Henry Ford Hospital, Oral & Maxillofacial Surgery Continuing Education, Detroit, Michigan, February 1990
Cleft Lip and Palate - Secondary Treatment
237. Visiting Professor, St. Louis University, St. Louis Area Society of Plastic Surgeons, St. Louis, Missouri, February 1990
What's New in Plastic Surgery
238. Symposium on Maxillofacial Trauma, Providence Hospital, Southfield, Michigan, March 1990
Orbital Fractures
Upper Face Reconstruction & Enophthalmos Correction
239. Cleft Palate Lecture, Providence Hospital, Southfield, Michigan, March 1990

Treatment of Cleft Lip & Palate

240. Craniofacial Reconstructive Surgery Update, Port Huron Hospital, Port Huron, Michigan, March 1990

241. First International Conference on Current Maxillofacial Surgery, University of Alabama, School of Dentistry, Birmingham, Alabama, March 1990
Diagnosis and Treatment of the Cleft Palate Patient
Orthognathic and Craniofacial Considerations in Cleft Patients
242. Henry Ford Hospital, Oral & Maxillofacial Surgery Continuing Education, Detroit, Michigan, April 1990.
Flaps for Facial Reconstruction
243. Michigan Society of Oral & Maxillofacial Surgeons, Detroit, Michigan, April 1990.
Head & Neck Plastic Surgery: Established Techniques and New Developments
244. Jewish Hospital Seminar, The Plastic and Aesthetic Surgery Center, Louisville, Kentucky, May 1990.
Reactor Panels: Forehead Lift, Blepharoplasty, Facelift, Adjuncts, and Managing Complications/Unfavorable Sequelae
245. Michigan Cleft Palate Association, Ninth Annual Conference, Sheraton Southfield Hotel, Southfield, Michigan, June 1990
The Pharyngeal You-Know-What: An Historical Perspective
Timing of Primary Palatal Closure Panel: Discussion Facilitator
246. Breast Reconstruction and Surgery Lecture, Providence Hospital, Plastic Surgery Department, Southfield, Michigan, June 1990
Breast Reconstruction
247. First Annual Meeting of the European Association of Plastic Surgeons, Strasbourg, France, June 1990
The Vascular Anatomy of the Galea and Its Clinical Applications
248. Reed O. Dingman Society, Fourth Biennial Scientific Meeting, Ann Arbor, Michigan, June 1990
First William C. Grabb Lecture: Management of Craniofacial Tumors
Panelist: Personal Techniques in the Management of Cleft Lip/Nose Deformity
249. 15th International Cancer Congress, Hamburg, West Germany, August 15-22, 1990.
Panel Co-Chairman: Operative Treatment and Surgical Reconstruction of the Lower Part of the Oral Cavity.
Newer Methods of Intraoral Reconstruction.
250. 25th National Conference of the Association of Plastic Surgeons of India, Pune, India, September 1-4, 1990
Classification and Treatment of Vascular Abnormalities of the Head and Neck

Area

- Thoughts on Management of Cleft Lip and Palate
Management of Skull Base Tumors
251. Symposium on Craniofacial Reconstruction, New Orleans, Louisiana, September 12-16, 1990
Training Course Instructor: Tumors of the Skull Base, Orbit and Maxilla
Round Table Discussion Leader: Adult Craniofacial Surgery
 252. Fourth European Course in Plastic Surgery, Glasgow, Scotland, September 17-22, 1990
Primary Surgery for Cleft Lip and Palate
Osteotomies for Clefts and Hemifacial Microsomia
Management of Giant Congenital Naevi and Other Congenital Problems
Severe Craniofacial Injuries
Base of Skull Tumors
Treatment of Major Deformities of the Head and Neck
 253. Fifth Biannual Multispecialty Oculoplasty Surgery Symposium, Lexington, Kentucky (Sponsored by The Center for Advanced Eye Surgery in conjunction with Humana Hospital), September 28-29, 1990
Periorbital Flaps & Canthal Reconstruction
The Orbit - Pandora's Box
Late Management of Enophthalmos
 254. Pediatric Grand Rounds, William Beaumont Hospital, Royal Oak, Michigan, October 9, 1990
Contribution of Plastic Surgery to Pediatric Head and Neck Problems
 255. Grand Rounds, Kresge Eye Institute, Detroit, Michigan, October 10, 1990
Oculoplastic and Reconstructive Surgery
 256. Grand Rounds, Henry Ford Hospital, Detroit, Michigan, October 17, 1990
Craniofacial Resections and Reconstruction
 257. Annual Meeting of the American Society of Plastic and Reconstructive Surgeons, Boston, Massachusetts, October 21-25, 1990
Advances and Applications of Craniofacial Surgery
 258. University of Kansas Medical Center, Sutherland Institute Maxillofacial Trauma Symposium and Workshop - Kansas City, Missouri - November 2-3, 1990
Orbital Fracture Management

259. Joint Grand Rounds with Oral & Maxillofacial Surgeons and Plastic Surgeons -
University of Texas, Baylor College of Medicine, Houston, Texas, November 30, 1990
Acute Facial Trauma With Emphasis on Orbital Injuries
Correction of Post-Traumatic Enophthalmos

260. The Craniofacial/Maxillofacial Surgical Symposium of the Midwinter Dental
Convention, Barbados Dental Association, Barbados, January 20-27, 1991
Management of Primary Cleft Lip and Palate Problems
Craniofacial Surgery Today, Including Management of Skull Base Tumors

261. Fifth Annual British Virgin Islands Workshops in Plastic Surgery, Road Town, Tortola,
British Virgin Islands, January 28-February 1, 1991
A Prospective Study of Primary Cleft Lip and Palates
Total Loss of Full Thickness Expanded Skin Graft on Forehead
New Ideas on Frontal Sinus Surgery

262. Grand Rounds in Plastic Surgery , Walter Reed Army Hospital, Washington, D.C., March 8, 1991
Management of Acute Trauma
The Management of Traumatic and Post-Traumatic Facial Deformities
263. Seventh Annual Conferences on Developmental Disabilities, Advocacy Through Clinical Excellence, Novi Hilton, Novi, Michigan, March 13-14, 1991
Craniofacial & Reconstructive Surgery
264. Annual Resident's Day, University Hospital, London, Ontario, April 5, 1991
"What's New in Plastic Surgery"
265. Southwest Society of Oral and Maxillofacial Surgery Meeting, University of Oklahoma, Austin, Texas, April 13, 1991
Reichmann Lecturer: Surgery of the Head and Neck Area, A Shared Specialty"
266. American Association of Plastic Surgeons 70th Annual Meeting, San Antonio, Texas, April 14, 1991
267. Rehabilitation Insurance Nurses' Council, Providence Hospital, Southfield, Michigan, April 18, 1991
Breast Reconstruction after Mastectomy
268. Third Annual Great Lakes State Family Practice Review, Providence Hospital, Southfield, Michigan, April 18, 1991
Craniofacial Surgery - Setting Things Right
269. Fourth World Congress on Cancers of the Skin, Memorial Sloan-Kettering Cancer Center; New York, April 19-20, 1991
Reconstructive Surgery: Local Skin Flaps and Grafts for Surgical Defects
Surgical Management of Advanced Cancers of the Skin
270. Facial Injury Management: State of the Art, Chicago, Illinois - April 20-24, 1991
Facial Nerve Repair & Facial Reanimation
Canthopexy - When & How
Computer Imaging of Bone & Soft Tissue Defects
271. Northwestern University Medical School Visiting Professor, Grand Rounds, Chicago, Illinois, April 24, 1991
Craniofacial Deformities Resulting from Previous Trauma
272. Society of Head & Neck Surgeons 37th Annual Meeting, Hawaii, May 1-4, 1991
Hayes Martin Lecturer: Skull Base Tumor Surgery - A Discipline in Evolution

273. Children's Hospital Visiting Professor, Brisbane, Australia, May 12, 1991
Modern Concepts in Presurgical and Surgical Treatment in Primary Cleft Lip &
Palate
New Ideas on Treatment of Arteriovenous Malformations

274. General Scientific Meeting, Royal Australasian College of Surgeons, Sydney, Australia, May 6-9, 1991
 - What's New in Head & Neck Surgery
 - The Contribution of Plastic Surgery to Skull Base Tumor Surgery
 - Eyelid & Canthal Tumors
 - Aggressive Orbital & Mid-Face Tumors
 - Craniosynostosis
 - Immediate Breast Reconstruction using the Becker Prosthesis
 - The Galea - Workhorse of the Head & Neck

275. Academic Plastic Surgery Forum Visiting Professor, Toronto, Ontario, May 17-18, 1991
 - Reliable Method of Rhinoplasty

276. Butterworth Hospital, Grand Rapids, Michigan, May 28, 1991
 - Recent Advances in Plastic Surgery

277. Seminar on Head & Neck Reconstruction in Oncology, European School of Oncology; San Servolo Island, Venice, Italy, June 20-22, 1991
 - Reconstruction of the Nose
 - Reconstruction of the Scalp & Skull
 - Reconstruction of mid-face & skull base
 - Reconstruction of Upper Alveolus & Palate
 - Reconstruction of Middle Fossa Defects
 - Reconstruction of Orbital Defects

278. Second International Symposium on Reconstructive Surgery of the Orbit and its Adnexa, Rotterdam; June 9-12, 1991 - Co-organizer with Hoboken Congress Organization, Erasmus University, Rotterdam
 - Fibrous Dysplasia and Unusual Tumors
 - Management of Meningioma
 - Management of Retinoblastoma
 - Management of Rhabdomyosarcoma
 - Management of the Radiated & Post-traumatic Socket

279. Corsican Ophthalmological Society, Corsica, France, September 9-14, 1991
 - Ophthalmic Problems in Craniofacial Surgery

280. Fifth European Course in Plastic Surgery, Brussels, Belgium; September 16-21, 1991
 - Breast Reconstruction: Immediate reconstruction with permanent inflator
 - Treatment of Giant Hairy Naevi
 - Two-Stage Cleft Lip & Palate Early Closure
 - Defects of Scalp and Forehead

Defects of the Nose Skeleton

Galeal Flaps - Anatomy & Applications

A Simple Method of Rhinoplasty

Open Rhinoplasty in Primary Cases

Rhinoplasty in Negroid and Oriental Noses

Secondary Rhinoplasty: Complications and Re-operation

281. American Society of Plastic & Reconstructive Surgeons Annual Meeting, Seattle, Washington, September 23-26, 1991
The Uses of the Galea in Head & Neck Reconstruction
Facial Reconstruction for Cutaneous Defects
Course instructor: Advances & Applications of Craniofacial Surgery
282. Providence Hospital Lecture Series, Southfield, Michigan; October 23, 1991
Facelifts
283. American College of Surgeons Clinical Congress, Chicago, Illinois, October 24, 1991
Head & Neck Tumors of Vascular Origin
284. Recent Advance in Head & Neck Cancer Surgery, Providence Hospital, Southfield, Michigan, October 26, 1991
Upper Face & Skull Base Tumors
285. Contemporary Review Head & Neck Reconstruction Symposium Program, Cincinnati, Ohio, November 2-3, 1991
Current Therapy, Reconstruction of Large Arteriovenous Malformations
Orbit & Anterior Skull Base Tumors
Late Correction of Malunited, Unrepaired Zygoma
Management of Patients with Tumors Involving the Base of the Skull
286. 25th Annual Combined Surgical Meeting and 4th Advanced Course in Head & Neck Cancer Surgery, Singapore, November 11-14, 1991
Plenary Lecture: Update on Flaps
Mandibular Resection vs. Conservation
Melanoma of the Head & Neck
Treatment Strategies for Skin Cancers of Head & Neck
Access & Complications of Skull Base Surgery
287. Southern Medical Association, ENT/Plastics Section, November 1991
Classification & Treatment of Orbitotemporal Neurofibromatosis
288. University of Colorado and Rose Medical Center, Sidney M. Reckler Visiting Professor, Denver, Colorado, November 27-December 3, 1991
Recent Advances in Head & Neck Surgery for Deformity, Tumors and Trauma
Resection of and Problems Associated with Skull Base Tumors
Reconstruction of Orbit and Socket Post-trauma and Post-radiation
289. Sinai Hospital Department of Plastic Surgery, Detroit, Michigan, January 6, 1992
Skull Base Surgery

290. Detroit Dental Clinic Club, Implant Section, Detroit, Michigan, January 13, 1992
Craniofacial Surgical Applications
291. Louisiana Chapter of the American College of Surgeons and Surgical Association of Louisiana, New Orleans, Louisiana, January 17-19, 1992
Surgery of Anterior Cranial Fossa Tumors
Management of Head & Neck Arteriovenous Malformations
292. Sixth Annual British Virgin Islands Workshop in Plastic Surgery, Road Town, Tortola, British Virgin Islands, January 27-February 2, 1992
A Disaster in Cleft Lip Repair
A New Approach to Mastectomy & Immediate Breast Reconstruction
The Cervical Tube Pedicle
Penetrating Midface Tumors
293. Advanced Course in Plastic Surgery, Cardiff, Wales; February 6-9, 1992
Principles of Surgery in the Treatment of Skin Neoplasms
Local Skin Flaps
Reconstruction of the Nose
CT Imaging: Treatment Planning & Timing of Surgery for Asymmetry of Face
294. South Wales Cleft Lip & Palate Group, St. Lawrence Hospital, Chepstow, Gwent, February 6, 1992
Treatment of the Cleft Lip & Palate
295. Clinic Quiron Visiting Professor, Barcelona, Spain, February 24-26, 1992
The Surgical Treatment of Tumors of the Base of the Skull
Surgical Management of Melanoma of Head and Neck
296. XVIII International Symposium of the Spanish Society of Head & Neck Surgeons, Barcelona, Spain, February 27-29, 1992
Surgical Management of Melanoma of the Head and Neck
Tumors of the Base of the Skull
297. Current Concepts in the Treatment of Craniofacial Trauma, Fort Smith, Arkansas, April 1992
Use of 3-D CT in Orbital Reconstruction
298. University of Michigan Craniofacial Cleft Palate Team, Ann Arbor, Michigan, April 1992
Cleft Lip and Palate, Secondary Deformity
299. Cancer Day, Providence Hospital, Southfield, Michigan, April 1992

Current Concepts in the Management of Intraoral Carcinoma: Reconstruction

300. Visiting Professor, Betty Pilliod Professor in Pediatric Plastic Surgery, Children's Hospital Medical Center of Akron, Akron, Ohio, May 1992.
 - Vascular Malformations in Children and Their Treatment
 - The Surgical Treatment of Skull Base Tumors
 - Current Concepts in Plastic Surgery
 - Sphincter Pharyngoplasty
301. Third Annual Meeting of the European Association of Plastic Surgeons, Pisa, Italy, May 1992
 - Classification and Treatment of Temporo-Orbital Neurofibromatosis
302. Annual Meeting of the American Association of Plastic Surgeons, Vancouver, British Columbia, May 1992
 - AWARDED: Clinician of the Year**
303. 11th Annual Michigan Cleft Palate Association Conference, Ann Arbor, Michigan, June 5-6, 1992.
 - Management of the Bilateral Cleft Nasal Deformity.
304. First Annual Philadelphia Plastic and Reconstructive Surgery Symposium, Temple University, Philadelphia, Pennsylvania, June 1992
 - Craniofacial Surgery
305. Tord Skoog Society of Plastic Surgeons, Estoril, Portugal, June 1992
 - Classification & Treatment of Temporo-Orbital Neurofibromatosis
 - Management of the Bilateral Cleft Nasal Deformity
306. First International Skull Base Congress, Hannover, Germany, June 1992.
 - Plastic & Reconstructive Surgery of the Skull Base.
307. Midwestern Association of Plastic Surgeons 32nd Annual Meeting, Bismarck, North Dakota, June 18-20, 1992
 - Management of the Bilateral Cleft Nasal Deformity
 - Sphincter Pharyngoplasty for Velopharyngeal Incompetence
 - Treatment of Frontal Sinus Disease
 - Efficacy of Cycled Hyperinflation for Rapid Tissue Expansion
 - Comparison of Inorganic Bovine Bone Mineral Particles with Porous Hydroxyapatite Granules and Cranial Bone Dust in the Reconstruction of Full Thickness Skull Defects
 - High Dose Sodium Tetradecyl Sulfate Use in Vascular Malformations and Hemangiomas

308. Congress of the International Confederation for Plastic & Reconstructive Surgery, Madrid, Spain, June 28-July 4, 1992
Side Table Assembly: An Adjuvant to Craniofacial Reconstruction
309. West of Scotland Regional Plastic & Maxillofacial Surgery Unit 25th Anniversary Meeting, Canniesburn Hospital, Glasgow, Scotland, July 8-10, 1992
Classification and Treatment of Temporo-Orbital Neurofibromatosis.
310. American Society of Plastic and Reconstructive Surgeons Annual Meeting, Washington, D.C., September 20-25, 1992
Scientific Program Head & Neck Subcommittee Chairman
Arteriovenous Malformations
Advances and Applications of Craniofacial Surgery
Cleft Lip and Palate Repair
Micro & Mini-Plating Workshop
311. Course on Pathology & Surgery of the Orbit, Vicenza, Italy, October 9-10, 1992
Benign, Malignant and Rare Tumors of the Orbitofacial Area
Enophthalmos: Causation, Assessment & Treatment
Post-Radiation Orbital Deformities and Their Corrections

312. International Symposium on Craniofacial Surgery, Chicago, Illinois, October 21-24, 1992.
Faculty Member
Craniofacial tumors
Neurofibroma, Fibrous Dysplasia and Cranial Base Tumors
Long-Term Complications of the Galeal Frontalis Flap in Craniofacial Surgery
The Anatomy and Significance of the Temporal Fat Pad in Apert Syndrome
Midface Advancement by Gradual Distraction
313. Academic Plastic Surgery Forum, Current Problems in Plastic Surgery, New York, October 28-31, 1992
Problems and Treatment of Radiation Damage in the Growing Face
314. Oakland County Dental Society, Birmingham, Michigan, November 10, 1992
Cleft Lip and Palate Repair
315. Craniofacial and Cleft Lip/Palate Diagnostic Clinic Lecture Series, Providence Hospital, Southfield, Michigan, November 11, 1992
Cleft Lip Repair
316. University of Detroit Orthodontic School, Detroit, Michigan, November 13, 1992
Surgical Reconstruction of Craniofacial Syndromes
316. Windsor Academy of Surgery, Windsor, Ontario, November 16, 1992
Skull Base Surgery
317. Craniofacial and Cleft Lip/Palate Diagnostic Clinic Lecture Series, Providence Hospital, Southfield, Michigan, December 9, 1992.
Repair of Cleft Palate - VPI
318. University of Illinois at Chicago Visiting Professor, Chicago, Illinois, January 8-9, 1993
Walter Scott Brown Memorial Lecturer
Classification and Treatment of AV Malformations
Cranial Base Surgery and Reconstruction
319. Detroit Dental Society, Implant Section, Detroit, Michigan, January 11, 1993
A Head and Neck "Potpourri"
320. Seventh Annual British Virgin Islands Workshop in Plastic Surgery, Road Town, Tortola. January 25-29, 1993
Conference Co-Chairman
A Problem of Multiple Decubitus Ulcers
Composite Correction of the Secondary Cleft Lip Deformity

- Further Uses of Sotradecol in Vascular Malformations
Simultaneous Implant Removal and Mastopexy
The Use of Galea in Surgical Disasters
The Problem of Nasal Valving: Assessment and Treatment
321. Sinai Hospital Oral Surgery Department Conference, Detroit, Michigan, February 22, 1993
Local Flap Reconstruction of the Head and Neck
322. Head and Neck Oncology Series, Roger Williams Medical Center, Brown University School of Medicine, Rhode Island, February 23-24, 1993
Reconstructive Aspects of Skull Base Surgery
Secondary Cleft Lip and Palate Deformities
Unilateral and Bilateral Cleft Lip Surgery
323. Fourth Annual Meeting of the North American Skull Base Society, Phoenix, Arizona, February 12-14, 1993
Classification and Treatment of Temporo-Orbital Neurofibromatosis
324. Plastic and Reconstructive Surgery Unit, Burwood Hospital 50th Anniversary, Christchurch, New Zealand, March 12-15, 1993
Surgery of Craniofacial Tumors in Adults
Craniofacial Deformity Resulting from Previous Trauma
Facelifting and Related Procedures
Breast Reconstruction
- Middlemore Hospital Instructional Course and Workshop, Auckland, New Zealand, March 20-23, 1993
Cosmetic Surgery
Rhinoplasty
Liposuction
Flaps for Reconstruction of the Face
Arteriovenous Malformations, Neurofibromatosis
Breast Reconstruction
Orbital Pathology and Tumors
Enophthalmos
Frontal Sinus
Skin Expansion, What's new
Myocutaneous Flaps
Galea
- Theatre Nurses Study Day, Children's Hospital, Auckland, New Zealand, March 22, 1993

Facial Trauma and What Plating Can Do

325. Madonna Magazine, Cable TV Presentation of Madonna University, Livonia, Michigan, April 24, 1993
326. National Head and Neck Oncology Conference, Liverpool, England, May 7-8, 1993
Keynote Lecture: Surgical Approaches to and Treatment of Tumors of the Orbit and Skull Base
327. American Association of Plastic Surgeons Annual Meeting, Philadelphia, Pennsylvania, May 9-12, 1993
Scientific Program Committee Chairman
Panel Moderator: Who Determines the Nature of Plastic Surgery Resident Education and Training?
328. Saint Louis University Commencement, St. Louis, Missouri, May 15, 1993
Honorary D.Sc. Degree
329. 7th Congress European Section of International Confederation for Plastic, Reconstructive and Aesthetic Surgery, Berlin, Germany, June 2-5, 1993
The Vascular Anatomy of the Galeal Flap in the Interparietal and Midline Regions
330. Wayne State University School of Medicine, Detroit, Michigan, June 3, 1993.
Commencement Lecturer
331. 12th Annual Conference of the Michigan Cleft Palate Association, Traverse City, Michigan, June 4-5, 1993.
Classification and Treatment of Temporo-Orbital Neurofibromatosis
332. Midwestern Association of Plastic Surgeons 33rd Annual Meeting, Chicago, Illinois, June 10-13, 1993
Classification and Treatment of Temporo-Orbital Neurofibromatosis
Treatment of Post-Irradiation Orbital Growth Deformities with Special Reference to the Contracted Socket
Simultaneous Implant Removal and Resulting Breast Deformity Correction
333. XII National Congress of Oral and Maxillofacial Surgery, Palace of Congress, Grenada, Spain, June 23-24, 1993
A Maxillofacial Surgeon: A Man for All Seasons
334. Academic Plastic Surgery Forum, Scotland, June 26-July 7
335. British Association of Plastic Surgeons Summer Meeting, Oxford, England, July 7-9,

1993.
Classification and Treatment of Temporo-Orbital Neurofibromatosis
Total One-Stage Correction of the Secondary Cleft Lip and Palate Deformity
336. Current Concepts in Facial Trauma, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma, August 27-28, 1993
Fractures of the Orbital Walls
337. Combined Grand Rounds, Department of Plastic Surgery, William Beaumont/Providence Hospital, Southfield, Michigan, September 11, 1993
338. VI European Course for Plastic Surgery, London, England, September 13-14, 1993
Craniofacial Deformities
Secondary Surgery for Cleft Lips
Facial Injuries
Reconstruction of the Eyelids
Rhytidectomy and SMAS
The Post-Traumatic Nose
Secondary Rhinoplasty & Cartilage Grafts
339. Eurosurgery 3rd European Congress of Surgery, London, England, September 15-17, 1993
The Irradiated Chest
Cancer of the Face

340. Advanced Courses in Plastic Surgery, Sheffield, England, September 20-21, 1993.
Primary Procedures for Cleft Palate Repair
Cleft Rhinoplasty
Non-Caucasian Rhinoplasty
341. 7th International Congress on Cleft Palate and Related Craniofacial Anomalies, Broadbeach, Queensland, Australia, October 31 - November 5, 1993
Total Simultaneous Correction of the Secondary Deformity
3-D Imaging and Quantification for Craniofacial Abnormalities
Facial Asymmetry
Alveolar Bone Grafting
Session Chairman: Craniofacial Reconstruction
Session Co-Chairman: Orthognathic Surgery
342. 27th Annual Combined Surgical Meeting, Academy of Medicine, Singapore, November 5-7, 1993; Skull Base Surgery Course, November 8-9, 1993
Reconstruction of the Skull Base with Flaps
Secondary Reconstructive Surgery for Craniofacial Trauma
Reconstruction of the Paralyzed Face
Advances in Craniofacial Surgery
343. Singapore General Hospital, Department of Plastic Surgery, HMDP Expert Week, Singapore, November 14-21, 1993
AV Malformations
Head and Neck Neurofibromatosis
Radiation-Induced Facial Deformity
Treacher-Collins Syndrome: Recent Advances
Enophthalmos
New Concepts in Frontal Sinus Pathology
Facial Clefts
344. Singapore Association of Plastic Surgeons; Singapore Aesthetic Society Joint Meeting, Singapore, November 18, 1993
What's New in Plastic Surgery
Face-Lifting and Other Cosmetic Procedures
345. 11th Annual Meeting of the Japanese Society of Craniofacial Surgery, Sapporo, Japan. November 11-13, 1993
Surgical Treatment of Skull Base Tumors
Treatment of Orbitotemporal Neurofibromatosis
Reconstruction of Post-Irradiation Facial Deformity
346. Memorial Sloan-Kettering Cancer Center, Visiting Professor, New York, January 6,

1994

- Head and Neck Surgery - A Surgeon's Perspective
347. Eighth Annual British Virgin Islands Workshop in Plastic Surgery, Road Town, Tortola. January 24-28, 1994.
Conference Co-Chairman
Recent Advances in 3-D Imaging
Second Chance Tradition in Skull Base Tumors
Follow-Up on Use of Superior Rectus Flaps of Decubiti
348. University of Tennessee, Visiting Professor, Memphis, Tennessee, February 18-19, 1994
The Management of Skull Base Tumors
Classification and Treatment of Vascular Malformations
349. Botsford Hospital, Visiting Professor, Farmington, Michigan, March 2, 1994
Classification and Treatment of Vascular Malformations
350. Reconstructive Surgery Symposium, San Francisco, California, March 16-19, 1994
Panel Moderator: Scalp Reconstruction
My Choice for Specific Defects with Panel Discussion
Skin Grafts and Local Flaps
Panel Moderator: Upper Extremity Reconstruction
My Choices and Panel Discussion
External Versus Internal Port
Skull Reconstruction
351. First Annual Meeting, GCC Association of Plastic Surgeons (GCC-APS), Kuwait, March 20-23, 1994
Rhinoplasty - Open Versus Closed Methods
Diagnosis and Treatment of Craniofacial Deformity
New Trends in Craniofacial Surgery: Bone Distraction - Fetal Surgery
Management of Skull Base Tumors
Classification and Management of Hemangiomas
Treatment of Radiation Induced Facial Deformities
352. Khoula Hospital Visiting Professor, Muscat, Oman, March 24-27, 1994
Soft Tissue Facial Reconstruction
Treatment of Secondary Cleft Lip and Palate Deformities
Diagnosis and Treatment of Vascular Abnormalities of the Head and Neck
- Sultan Qaboos University Visiting Professor
Diagnosis and Treatment of Skull Base Tumors

353. 73rd Annual Meeting of the American Association of Plastic Surgeons, St. Louis, Missouri, May 1-4, 1994
Treatment of Facial Deformity Resulting from Irradiation in Infancy
354. Fifth Annual Meeting of the European Association of Plastic Surgeons, Geneva, Switzerland, May 12-14, 1994
Correction of Radiation Induced Facial Growth Deformities
355. Eastbank Academy Centenary, Glasgow, Scotland, May 14, 1994
Toast: Eastbank Academy: The First Hundred Years
356. 48th Annual Meeting of the Canadian Society of Plastic Surgeons, Ottawa, Ontario, May 25-28, 1994
Farmer Lecture: Flaps to the Head and Neck Area

357. 13th Annual Conference of the Michigan Cleft Palate Association, Bay City, Michigan, June 10-11, 1994
 - Alveolar Bone Grafting: A Preliminary Report
 - Panelist: Treatment Objectives - When, Why & How Does It End?

358. Visiting Professor, Halifax, Nova Scotia, July 14-16, 1994
 - Diagnosis and Treatment of Skull Base Tumors
 - Classification and Treatment of Vascular Malformations of the Head and Neck
 - Treatment of Primary and Secondary Cleft Lip and Palate Deformity
 - Investigation and Treatment of Velopharyngeal Incompetence
 - Methods of Investigation and Treatment of Craniofacial Deformity
 - Open Versus Closed Rhinoplasty
 - Diagnosis and Management of Acute Injuries of the Facial Skeleton

359. Visiting Professor, Singapore General Hospital, Singapore, August 8-13, 1994
 - Skull Base Tumor Surgery and Skull Base Team
 - Problems of Reconstruction of Facial Soft Tissue and Skeleton Following Radiation in Childhood
 - Orbital Surgery
 - Future Trends in Plastic Surgery
 - Skull Base Surgery

360. Craniofacial Workshop, Ramathibodi Hospital, Bangkok, Thailand, August 14-15, 1994
 - Enophthalmos and Orbital Fractures
 - Secondary Correction of Post-Traumatic Facial Deformity
 - Skull Base Surgery and Skull Base Team
 - Neurofibromatosis and Skull Base Vascular Malformations
 - Problems of Reconstruction of Facial Soft Tissue and Skeleton Following Radiation in Childhood
 - Composite Correction of the Secondary Cleft Deformity

361. Seventh Asean Pre-Congress and Congress of Plastic Surgery, Ramathibodi Hospital, Bangkok, Thailand, August 15-19, 1994
 - Arteriovenous Malformations
 - Skull Base Tumor Surgery
 - Future Trends in Plastic Surgery
 - Composite Correction of Secondary Clefts
 - Orbital Surgery

362. European Society of Ophthalmic Plastic Surgeons, Glasgow, Scotland, September 14-16, 1994
 - Reconstruction of the Irradiated Orbit and Socket

363. First National Seminar on Craniofacial Surgery, Jaslok Hospital and Research Center, Bombay, India, September 24, 1994
Skull Base Surgery
Composite Approach to Orthognathic Problems, Cleft and Aesthetic
Skull Base Arteriovenous Malformations
- Association of Otolaryngologists of India, Bombay, India, September 25, 1994
Bell Pharma Oration: Nasoethmoid Tumors and Skull Base Tumors
- 29th National Conference of the Association of Plastic Surgeons of India, Lonavala, India, September 26-29, 1994
Unilateral Cleft Lip Repair and Bilateral Cleft Lip Repair
Reconstruction in Secondary Residual Deformity in Cleft Lip
Co-Chairman: Craniomaxillofacial Session
- Septorhinoplasty Workshop, GT Hospital, Bombay, India, September 30 - October 2, 1994
Arteriovenous Malformations
Open Versus Closed Rhinoplasty
Secondary Correction of Cleft Lip and Nose Deformity
- Ganga Hospital, Coimbatore, India, October 2, 1994
Kannappan Shanmuganathan Oration: Recent Advances in Craniofacial Trauma
- Jawaharlal Institute of Postgraduate Medical Education and Research, Pondicherry, October 3-4, 1994
Skull Base Surgery
Breast Reconstruction
Open Versus Closed Rhinoplasty
- Post-Graduate Institute of Medical Education and Research, Chandigarh, India, October 5-8, 1994
Rhinoplasty
Rationale of Cleft Lip and Palate Treatment
Scope of Craniofacial Surgery
Approach to Skull Base Tumors
Vascular Malformations
Training of a Plastic Surgeon in the U.K. and U.S.A.
365. University of Virginia, Charlottesville, Virginia, November 3-5, 1994
Coleman Lecturer: Classification, Assessment and Treatment of Vascular
Malformations of the Head and Neck
Surgical Treatment and Reconstruction of Cranial Base Tumors

366. Michigan Association of Surgical Technologists, St. Joseph's Hospital, Pontiac, Michigan, November 12, 1994
Cleft Lip and Palate Management
367. Visiting Professor, Eastern Virginia University Microsurgical Research Laboratory, Norfolk, Virginia, December 1-3, 1994
Facial Bone Distraction
Intrauterine Surgery
Controversies in Cleft Lip and Palate
New Frontiers in Skull Base and Reconstructive Surgery
368. Visiting Professor, Harvard Medical School, New England Deaconess Hospital and Massachusetts General Hospital, Boston, Massachusetts, December 8-9, 1994
Orbital Surgery
Rhinoplasty: Cosmetic and Otherwise
New Ideas on Cleft Lip and Palate
369. Ninth Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola. January 18-27, 1995
Conference Co-Chairman
Nasal Reconstruction with Cranial Bone Graft - Does it Last?
Aesthetic Surgery is More Than Skin Deep
370. University of Detroit Mercy, School of Dentistry, Detroit, Michigan, February 10, 1995
Treatment of Craniofacial Syndromes
371. Visiting Professor, Grand Rounds, Baylor College of Medicine, Houston, Texas, February 16-17, 1995
Perspectives in Craniofacial Surgery

Houston Society of Plastic Surgeons
Orbital problems and their correction
372. OHEP Resident Lecture, Sinai Hospital, Detroit, Michigan, March 16, 1995
Wound Healing
373. Craniofacial Society of Great Britain, Glasgow, Scotland, March 29-31, 1995.
Honorary Membership
The Practicality and Cost-Effectiveness of One-Stage Craniomaxillofacial Procedures
Three-Dimensional Imaging: A Necessity for Surgical Planning or Surgeon's Image?

374. British Association of Oral and Maxillofacial Surgeons, Jersey, Channel Islands, April 5-8, 1995
Rowe (President's) Lecture: Surgery at the Craniofacial Junction
Session: Pharyngoplasty
Assessment of Cleft Lip and Palate Cases
375. 11th Congress of the International Plastic, Reconstructive and Aesthetic Surgery, Yokohama, Japan, April 16-21, 1995
Reconstruction of the Skull Base
A New Method of Bilateral Cleft Lip/Nose Correction
Treatment of Maxillary Ameloblastoma
Panel Co-Chair: Recent Advances in Cranial Base Surgery
Panelist: Orthognathic Surgery in Cleft Lip and Palate
Poster: Radiation Injury to the Face
Poster: Long-term Follow-up of Skull Base Tumors
376. Association of Head and Neck Oncologists of Great Britain, Birmingham, England, April 27-29, 1995
Nunn Lecture: Importance of Skull Base Surgery in Advanced Head and Neck Cancer
377. American Association of Plastic Surgeons/Association of Academic Chairman in Plastic Surgery, San Diego, California, April 30 - May 3, 1995

378. European Association of Plastic Surgeons, Strasbourg, France, May 12-13, 1995
Prefabrication of Thin Flaps Lined with Buccal Mucosa
379. Providence-Novı Community Health Lecture, Novi, Michigan, May 17, 1995
Your Best Image
380. 10th Annual Aesthetic Surgery Symposium, Louisville, Kentucky, May 26-29, 1995
Panelist: Facelift
Panelist: Browlift
Panelist: Breast Reconstruction
Panel Leader: Adjuncts of Face Lift
History of Flap Development
381. Michigan Cleft Palate Association, Kalamazoo, Michigan, June 1-3, 1995
Midline Craniofacial Deformities and Their Surgical Correction
382. Midwestern Association of Plastic Surgeons, Iowa City, Iowa, June 8-10, 1995
Long-Term Follow-up of Skull Base Tumors
Radiation Injury to the Face
383. Sacramento Skull Base Surgery Symposium: A Multidisciplinary Approach, Sacramento, California, June 25-30, 1995
Management of Skull Base Neurofibromatosis and Infections in Skull Base Surgery (two part presentation)
Panelist: Reconstructive Dilemmas in Skull Base Surgery
Panel Chairman: Management of Severe Craniofacial Anomalies
384. Conjoint Symposium on Head and Neck Reconstruction, Chicago, Illinois, July 29-30, 1995
Keynote Address: Vascular Tumors: Considerations for Reconstruction
Three-dimensional Imaging in Planning and Execution of Craniofacial Surgery
Panelist: Reconstruction of the Skull Base
385. Strategies for Cure, Radisson Plaza Hotel, Southfield, Michigan, October 6, 1995
Panelist: Head and Neck Cancer
386. American Society of Plastic and Reconstructive Surgeons Annual Meeting, Montr al, Quebec, October 7-11, 1995
Instructional Course: Arteriovenous Malformations
387. International Society for Craniofacial Surgery, Saint-Tropez, France, October 21-24, 1995
Prevention and Treatment of Infection Following Cranial Base Surgery

New Approaches to the Management of Hemicraniofacial Microsomia
Practicality and Cost-Effectiveness of One-Stage Craniofacial Surgery

388. British Association of Plastic Surgeons Winter Meeting, London, England, November 29 - December 1, 1995
Gillies Memorial Lecture: Contributions of Plastic Surgery to Skull Base Surgery

389. Visiting Professor, Cleveland Clinic, Cleveland, Ohio, December 14-16, 1995
Craniofacial Tumors in Children and Adults
Craniofacial Applications to Facial Trauma
390. Tenth Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola.
January 22-26, 1996
Conference Co-Chairman
Breast Reconstruction with Local Tissue Following Explantation - Further
Modifications
Breast Explantation: Reasons for and Outcome
Panelist: Breast Implants
391. University of Detroit Mercy, School of Dentistry, Detroit, Michigan, February 9 and
February 16, 1996
Management of Craniofacial Anomalies
392. Wayne State University Saturday Conference, Detroit, Michigan, February 17, 1996.
Reconstruction of the Midfacial Skeleton
393. Sinai Hospital Oral Surgery Department Conference, Detroit, Michigan, February 19,
1996
Management of Cleft Deformities
394. First Interdisciplinary Congress on Craniofacial and Skull Base Surgery, Jerusalem,
Israel, February 25-29, 1996
Contribution of Plastic Surgery to Skull Base Surgery
Management of Vascular Tumors of the Head and Neck Area
Orbital Fractures and Enophthalmos - Diagnosis and Management
Panelist: Skull Base Tumors
Panelist: Head and Neck Tumors
Panelist: Craniofacial Trauma
395. Asian Pacific Craniofacial Association, Asean Federation of Plastic Surgery
Congress, Eighth Congress of Asean Plastic Surgery, Bali, Indonesia March 6-13,
1996
Keynote Speaker: Craniofacial Trauma of the Upper Face
Plenary Lecture: Recent Advances in Plastic Surgery
Composite Correction of Cleft Lip & Palate Secondary Deformity and of
Orthognathic Deformities
Treatment of Maxillary Ameloblastoma
Panelist: Secondary Correction of the Mid and Lower Face
396. Visiting Professor, Taipei, Taiwan, March 13-15, 1996

Head and Neck Reconstruction
Cranio-Orbital and Skull Base Surgery

397. Visiting Professor, Hat Yai, Thailand, March 15-19, 1996
Management of Cleft Lip and/or Cleft Palate
Craniofacial Surgery for Skull Base Tumors

398. Venezuelan National Congress, Caracas, Venezuela, March 20-23, 1996
 - Secondary Nasal Surgery
 - Facial Trauma and Reconstructive Surgery
 - Head and Neck Flaps
 - Surgery of Cranial Base Tumors
 - Diagnosis and Treatment of Vascular Anomalies in the Head and Neck Area
 - Panelist: Secondary Rhinoplasty
399. First Annual Conference on Vascular Malformations, Ann Arbor, Michigan, March 24, 1996
 - Arteriovenous Malformations Including Some Syndromes
400. OHEP Resident Lecture, Providence Hospital, Southfield, Michigan, April 4, 1996
 - Wound Healing
401. Kirk-of-the-Hills, Bloomfield Hills, Michigan, April 12, 1996
 - Charity Cases
402. American Society for Aesthetic Plastic Surgery Annual Meeting, Orlando, Florida, April 29, 1996
 - Outcome Study Following Removal of Breast Implants
403. Masters in Ophthalmic Plastic Surgery, William Beaumont Hospital, Royal Oak, Michigan, May 3-4, 1996
404. American Association of Plastic Surgeons Annual Meeting, Hilton Head, South Carolina, May 5-8, 1996
 - Outcome Study Following Removal of Breast Implants
405. Visiting Professor, University of British Columbia, Vancouver, British Columbia, May 8-10, 1996
 - Secondary Rhinoplasty
 - Skull Base Tumors
 - Head and Neck Vascular Lesions
406. Visiting Professor, Ohio Valley Society of Plastic Surgeons, Cleveland, Ohio, June 7-9, 1996
 - Current Concepts in Facial Reconstruction Following Ablative Surgery
 - Aesthetic Concepts in Craniofacial Surgery
 - Panelist: Rhinoplasty Approach - Open Versus Closed
407. Scandinavian Association of Plastic Surgeons, Stockholm, Sweden, June 12-16, 1996
 - Trauma of the Face

Round Table: Future of Plastic Surgery

408. International Skull Base Society, San Diego, California, June 29-July 4, 1996
Prevention and Treatment of Skull Base Infection
Composite Craniofacial Correction of Post-Radiation Deformity

409. European Association of Craniomaxillofacial Surgeons, Zürich, Switzerland, September 3-7, 1996
State of the Art Lecture: Contributions of Craniofacial Surgery to Skull Base Tumor Surgery
Session Chair: Cranial Base Tumor Surgery
410. Marmara University Days, Istanbul, Turkey, September 16-22, 1996
Craniomaxillofacial Surgery
Aesthetic Surgery
Panel Chair: Craniofacial Surgery Up-to-Date
Panel Chair: Rhinoplasty Up-to-Date
411. Septorhinoplasty Workshop, G.T. Hospital, Mumbai (Bombay), India, September 29-October 1, 1996
Primary and Secondary Rhinoplasties
412. Visiting Professor, Post-Graduate Institute of Medical Education, Chandigarh, India, October 2-5, 1996
Cleft Lip and Palate Management
Aesthetic Rhinoplasty
Velopharyngeal Incompetence and its Correction
Training of a Plastic Surgeon
413. XXXI National Conference of the Association of Plastic Surgeons of India, New Delhi, India, October 6-9, 1996
Navroji Godrej Visiting Professor
Subperiosteal Face Lift and its Variants
Craniofacial Surgery
Rhinoplasty

Craniofacial Workshop, Sir Ganga Ram Hospital
Problem Cases in Craniofacial Surgery
414. Indian Association of Aesthetic Plastic Surgeons, Facial Aesthetic Surgery Workshop, Indraprastha Apollo Hospital, New Delhi, India, October 10, 1996
Contributions of Orthognathic Surgery to Cosmetic Surgery
415. The Community House, Birmingham, Michigan, October 28, 1996
Plastic Surgery in the 90's
416. American Society of Plastic and Reconstructive Surgeons Annual Meeting, Dallas, Texas, November 9-13, 1996
Instructional Course: Arteriovenous Malformations

Instructional Course: Diagnosis and Treatment of Skull Base Tumors

417. Eleventh Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola. January 27-31, 1997
Conference Co-Chairman
Long-Term Results in Palatal Repair
Hydroxyapatite Granules: Useful Material
Experience with Erol Technique in Rhinoplasty
418. International College of Surgeons, Michigan Division, Sinai Hospital, Detroit, Michigan, February 19, 1997
Craniofacial Reconstruction
419. University of Detroit Mercy, School of Dentistry, Detroit, Michigan, February 14 and February 21, 1997
Cleft and Facial Deformities
Craniofacial Surgery
420. Fifth Annual Michael L. Lewin Memorial Lecturer, Montefiore Medical Center, New York, NY, March 9, 1997
Michael L. Lewin Lecture: Aesthetic Surgery **is** Real Plastic Surgery
421. Sinai Hospital Oral Surgery Department Conference, Detroit, Michigan, April 21, 1997
Arteriovenous Malformations
422. European Association of Plastic Surgeons, Amsterdam, The Netherlands, May 15-17, 1997
423. Midwestern Association of Plastic Surgeons, St. Louis, Missouri, May 29-31, 1997
Variations in Hypertelorism Correction
Simultaneous Correction of Orthognathic and Nasal Deformities
Long-Term Follow-Up of Cranial Bone Grafts to Nose
The Cartilage Surgicel Cigarette Graft for Nasal Dorsum Reconstruction
Hydroxyapatite Granules: A Useful Material in Facial Reconstruction
Panel Moderator: Facial Reconstruction
424. VI Brazilian Congress on Skull Base Surgery, São Paulo, Brazil, June 12-14, 1997
Bone Approaches
Vascular Malformations in the Skull Base
Prevention and Treatment of Infections in Skull Base Surgery
Panelist: Reconstruction Techniques, Indications and Limitations (Bone Reconstruction)

425. Eighth Congress of the International Plastic, Reconstructive and Aesthetic Surgery (European Section), Lisbon, Portugal, June 21-24, 1997
 - Vascular Lesions of the Head and Neck
 - Cranial Base Surgery
 - Correction of Midface Deformities
 - Round Table Moderator: Face Lifting
 - Course Instructor: Face Lifting Variants

426. Skull Base Techniques, Wayne State University, Detroit, Michigan, August 1-2, 1997
 - Course Instructor: Transoral/Transmaxillary Approach to Clivus

427. 8th International Congress of Cleft Palate and Related Craniofacial Anomalies, Singapore, September 7-12, 1997
Intrauterine Surgery: An Experimental Study on Facial Growth
Speech Results Using the Providence Palatal Repair
Variations in Hypertelorism Correction
A New Concept to Treat VPI: Distraction of the Hard Palate
Long-Term Follow-Up of Cranial Bone Graft to the Nose
Simultaneous Correction of Orthognathic and Nasal Deformities
Composite Correction of Secondary Cleft Lip and Palate Deformities
Fistula Formation Following Cleft Palate Repair
Hemicraniofacial Microsomia: Total Three-Dimensional Correction
Panel Chairman: Advances in Craniofacial Surgery
428. American Society of Plastic and Reconstructive Surgeons Annual Meeting, San Francisco, California, September 20-24, 1997
Clinical Update: Skull Base Surgery
Instructional Course: Diagnosis and Treatment of Skull Base Tumors
Panelist: Soft Tissue Defects: Eyelid Reconstruction
429. 10th Annual Septorhinoplasty Workshop, G.T. Hospital, Mumbai (Bombay), India, September 25-26, 1997
Godrej Public Lecture: Craniofacial Deformities and Their Treatment
Challenges of Nasal Reconstruction
430. Visiting Professor, Orthognathic Surgery Workshop, K.G. Medical College, Post-Graduate Department of Plastic Surgery, Lucknow, India, September 28-29, 1997
431. XXXII National Conference of the Association of Plastic Surgeons of India, Lucknow, India, September 30-October 3, 1997
First Honorary Member of the Association of Plastic Surgeons of India
Surgical Treatment of Maxillary Deformities
Treatment of Maxillary Ameloblastomas
Some Thoughts and Results of Primary Cleft Lip and Palate Repair
CME Lecture: Surgery of Facial Clefts
Mukerjee Oration: Skull Base Tumors - A Surgical Challenge
432. Visiting Professor, Command Hospital, Department of Plastic and Reconstructive Surgery, Bangalore, India, October 6-8, 1997
CME Lecture: Assessment and Management of Primary Cleft Lip and Palates
Rhinoplasty
430. Flint Academy of Surgeons Meeting, Flint, Michigan, October 14, 1997
Vascular Tumors

431. Korean Society of Plastic Surgeons, Seoul, Korea, November 12-19, 1997
Surgery for Orbital and Skull Base Tumors
An Overview of Surgery for Craniofacial Deformities

Visiting Professor, Kyungpook National University School of Medicine, Taegu, Korea,
November 17, 1997
Diagnosis and Treatment of Vascular Malformations
432. Second Interdisciplinary Congress on Craniofacial and Skull Base Tumors, Cancun,
Mexico, January 20-24, 1998
Vascular Malformations of the Skull Base and Facial Areas
Prevention and Treatment of Skull Base Infection
Variations in Correction of Hypertelorism and Allied Deformities
Panel: Congenital Anomalies and Deformities
Moderator: Plenary Session III - Head and Neck Tumors
433. Twelfth Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola.
January 26-30, 1998
Conference Co-Chairman
The Use of Cardiopulmonary Bypass in Vascular Lesions
Simultaneous Face Lifting and Laser Resurfacing
A New Soft Tissue Replacement Material
434. University of Detroit Mercy, School of Dentistry, Detroit, Michigan, February 13 and
March 13, 1998
Cleft Lip and Palate
Craniofacial Surgery
435. IXth ASEAN Congress of Plastic Surgery, Penang, Malaysia, February 26-March 1,
1998
State of the Art Lecture: A Controversial Approach to Primary Cleft Lip and Palate
Deformities
Panelist: Vascular malformations
Panelist: Facial implants
Instructional Course: Orbital Trauma
Instructional Course: Upper and Middle Third of Face Trauma
Instructional Course: Lower Third of Face Trauma
436. Southern Ontario Surgical Orthodontic Study Group, Windsor, Ontario, April 17, 1998
Composite Cleft Lip and Palate Treatment
437. Sinai Hospital Oral Surgery Department, Detroit, Michigan, April 20, 1998
Arteriovenous Malformations

438. European Association of Plastic Surgeons, Verona, Italy, May 28-30, 1998
Long-Term Follow-Up of Cranial Bone Grafts to the Nose
439. Royal College of Surgeons of Edinburgh College Medal, Edinburgh, Scotland, June 10-14, 1998
440. AO/ASIF Maxillofacial Trauma Course, Ann Arbor, Michigan, July 11-12, 1998
Pediatric Facial Trauma
Craniofacial Reconstruction for Congenital Deformities
Preoperative, Intraoperative and Postoperative Considerations
441. 11th Annual Septorhinoplasty Workshop, G.T. Hospital, Mumbai (Bombay), India, September 2-4, 1998

442. Indian Medical Association and Baroda Association of Plastic Surgeons, Baroda, India, September 6-7, 1998
Smith's Modification of Kernahan's Classification
Recent Advances in Plastic Surgery
Operative Workshop
443. XXXIII National Conference of the Association of Plastic Surgeons of India, Calcutta, India, September 10-14, 1998
Long-Term Results of Cranial Bone Grafts for Nasal Reconstruction
Variations in the Treatment of Orbital Hypertelorism
Guest Lecture: Controversial Method of Primary Cleft Lip and Palate Treatment
Facial Cleft Workshop
Craniofacial Workshop
444. American Society of Plastic and Reconstructive Surgeons Annual Meeting, Boston, Massachusetts, October 3-7, 1998
Instructional Course: Diagnosis and Treatment of Skull Base Tumors
ASPRSN Joint Lecture: Combined Face Lift and Full Face Laser Resurfacing
445. 46th Annual Meeting of the American Academy of Prosthetics, Victoria, British Columbia, October 4-7, 1998
How Craniofacial and Plastic Surgery Affects Changes in Prosthetic Treatment
446. 17th Annual Conference of the Michigan Cleft Palate Association, Detroit, Michigan, October 16, 1998
The Possible Advantages of Early Bone Grafting in Primary Unilateral Cleft Lip and Palate Repair
Variations in Hypertelorism Correction
The Buccal Flap: A Useful Technique in Cleft Palate Surgery?
447. Royal College of Surgeons of England, Faculty of Dental Surgery, London, England, October 30, 1998
Webb Johnson Lecture: Vascular Malformations of the Head and Neck
448. VIIth European Course in Plastic Surgery, Berkshire, Windsor, U.K., November 25-27, 1998
Vascular Anomalies
Craniofacial Deformities
Secondary Cleft Lip and Palate Surgery
Facial Injuries
Principles of Head and Neck Reconstruction
Reconstruction of the Eyelids
Secondary Rhinoplasty

Panel Chairman: Congenital Deformities

449. Joint Scientific Meeting in Plastic Surgery (PSEF/BAPS), London, England, November 29-December 4, 1998
Symposium Co-Chairman
Management of Arteriovenous Malformations of the Head and Neck
The Buccal Flap: A Useful Technique in Cleft Palate Repair?
Panelist: Complications in Head and Neck Reconstruction
450. Association of Surgeons of India, Ahmedabad, India, December 27-30, 1998
Honorary Member
Guest Lecture: The Diagnosis and Treatment of Vascular Malformations
451. 7th Rotterdam International Skull Base Day, Rotterdam, The Netherlands, January 23, 1999
Periorbital Tumors: Resection and Reconstruction
Panel Moderator: Trauma and Reconstruction
452. Thirteenth Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola, BVI, January 25-29, 1999
Conference Co-Chairman
One-Stage Correction of Treacher Collins Syndrome
Follow-Up on 100 Cases of Combined Orthognathic and Septorhinoplasty
The Use of Bone Source in Cranial Reconstruction
453. Sinai Hospital Oral Surgery Department, Detroit, Michigan, February 8, 1999
Arteriovenous Malformations
454. University of Detroit Mercy, School of Dentistry, Detroit, Michigan, February 12 and February 19, 1999
Cleft Lip and Palate
Craniofacial Surgery
455. 16th Annual Symposium of King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia, April 5-7, 1999
King Khaled Memorial Lecture: Management of Orbital Trauma and Posttraumatic orbital deformities
Treatment Possibilities for Orbital Hypertelorism
Management of Benign and Malignant Tumors of the Orbital Region
456. Spanish Society of Plastic and Reconstructive Surgery, Marbella, Spain, April 25-28, 1999
Craniofacial Dystosis Syndromes

Craniofacial Tumors
Controversial Management of Primary Cleft Lip and Palate Repair

457. American Association of Plastic Surgeons Annual Meeting, Colorado Springs, Colorado, May 2-5, 1999
Honorary Award
458. European Association of Plastic Surgeons, Madrid, Spain, May 20-22, 1999
459. Japan Society of Head and Neck Cancer, Tokyo Disneyland, Tokyo, Japan, June 17-19, 1999
Advanced Craniofacial Techniques for Resection and Reconstruction of the Skull Base
460. 50th Anniversary of the Department of Oral and Maxillofacial Surgery, University of Texas at Houston, Houston, Texas, June 26-27, 1999
Arteriovenous Malformations of the Head and Neck
461. 12th Congress of the International Confederation for Plastic, Reconstructive and Aesthetic Surgery, San Francisco, California, June 27-July 1, 1999
Instructional Course: The Diagnosis and Treatment of Skull Base Tumors
462. Portland Bone Symposium, Portland, Oregon, August 4-7, 1999
Osseous Considerations in Skull Base Surgery
463. XXXIV National Conference of the Association of Plastic Surgeons of India Annual Meeting, Goa, India, September 5-8, 1999
Craniofacial Fibrous Dysplasia
A Complete Approach for Columella Reconstruction in Bilateral Cleft Lip Deformity
Guest Lecture: Classical Rhinoplasty
CME Session: Craniofacial Surgery
12th Annual Septorhinoplasty Workshop, G.T. Hospital, Mumbai (Bombay), India, August 30-September 3, 1999
464. University Reunion, Glasgow, Scotland, September 15-19, 1999
465. 4th Asian-Pacific Cleft Lip and Palate Conference, Fukuoka, Japan, September 28-30, 1999
Panel Chairman: Lip Repair
Evaluation and Management of Velopharyngeal Incompetence
Alveolar Bone Graft and Implant
466. Chippenham Medical Center/Johnston-Willis Medical Society, Richmond, Virginia,

October 7-8, 1999

- A. Murat Willis Lecturer: Vascular Malformations of the Head and Neck:
Classification and Treatment
467. Michigan Cleft Palate Association Annual Meeting, Providence Hospital, Southfield, Michigan, October 22, 1999
Newborn Bilateral Cleft Lip and Palate
468. American Society of Plastic and Reconstructive Surgeons Annual Meeting, New Orleans, Louisiana, October 24-27, 1999
Instructional Course: Diagnosis and Treatment of Skull Base Tumors
Panel Moderator: Facial Flaps in Reconstruction - Optimizing Corrective Results
ASPRSN Joint Lecture: Male Aesthetic Surgery
469. Society of Latino-Americana Plastic Surgeons Annual Meeting, New Orleans, Louisiana, October 28, 1999
Honorary Member
Rhinoplasty
470. British Dental Association Hospitals Group Annual Meeting, Bristol, U.K., November 12-13, 1999
Surgical Treatment of Facial Asymmetry

471. VIIIth European Course in Plastic Surgery, Copenhagen, Denmark, November 17-19, 1999
 - Facial Injuries
 - Reconstruction of the Eyelids
 - Craniofacial Deformities
 - Vascular Anomalies
472. Fourteenth Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola, BVI, January 24-28, 2000
 - Conference Co-Chairman
 - Follow-up on Controversial Cleft Lip Repair
473. University of Detroit Mercy School of Dentistry, Detroit, Michigan, February 11 and May 19, 2000
 - Cleft Lip and Palate
 - Craniomaxillofacial Surgery
474. Sinai-Grace Hospital Department of Oral and Maxillofacial Surgery, Detroit, Michigan, February 21 and April 3, 2000
 - Management of Fibrous Dysplasia/Hemifacial Microsomia
 - Rhinoplasty: Posttraumatic and Aesthetic
475. The First International Smile Train Cleft Lip and Palate Symposium, Beijing, China, March 2-4, 2000
 - Secondary Bilateral Cleft Lip Repair
 - Correction of Velopharyngeal Incompetence
 - Primary Unilateral Lip and Nose Repair Using a Modified Millard Technique and Primary Bone Grafting
476. North American Skull Base Annual Meeting, Scottsdale, Arizona, March 17-20, 2000
 - President-Elect
 - Panel Moderator: Avoiding complications
 - The Problems of and Advances in Treating Fibrous Dysplasia
 - Complications of Skull Base Tumor Surgery and Management
477. Craniofacial Society of Great Britain, Berkshire, United Kingdom, March 22-24, 2000
 - Bone Grafting and Primary Cleft Repair
 - The Buccal Flap in Cleft Palate Surgery
478. Midwestern Association of Plastic Surgeons Annual Meeting, Chicago, Illinois, April 7-8, 2000
 - President
 - Panelist: Rhinoplasty

A Controversial Cleft Lip Repair
The Use of Cardiopulmonary Bypass in Resection of Large Facial Arteriovenous
Malformations

479. American Association of Plastic Surgeons Annual Meeting, Laguna Niguel, California,
May 7-10, 2000

480. Crittenden Hospital Surgery Symposium, Rochester, Michigan, May 13, 2000
Reconstructive Surgery of the Craniofacial Area
481. Iberolatinamericana Congress, Lima, Peru, May 26-31, 2000
Combination of Mentoplasty and Rhinoplasty
Tumors of the Skull Base
482. European Association of Plastic Surgeons Annual Meeting, Berlin, Germany, June 1-3, 2000
Session Chairman: Session 1
483. Michigan Cleft Palate Association Annual Meeting, Lansing, Michigan, June 9, 2000
History of Craniofacial Surgery
484. Scandinavian Association of Plastic Surgeons Annual Meeting, Reykjavik, Iceland, June 28-July 1, 2000
The Possible Advantages of Early Bone Grafting in Primary Unilateral Cleft Lip and Palate
The Problems of and Advances in Treating Fibrous Dysplasia
485. PSEF Symposium, San Francisco, California, July 27-29, 2000
Panelist: Tumor Management - Guidelines and Updates (Skull Base)
Panelist: Flaps that Work Best for Facial Coverage (Local Flaps)
Panelist: Facial Reconstruction Techniques for Optimal Function (Nose)
486. European Association of Craniomaxillofacial Surgeons, Edinburgh, Scotland, September 5-9, 2000
Donor Site Morbidity of Iliac Crest Following Bone Harvesting for Primary Alveolar Bone Grafting in Patients with Cleft Lip and Palate
The Possible Advantages of Early Bone Grafting in Primary Unilateral Cleft Lip and Palate
The Problems of and Advances in Treating Fibrous Dysplasia
Co-Chair: Biophysics in Craniomaxillofacial Surgery
487. XXXV National Conference of the Association of Plastic Surgeons of India Annual Meeting, Agra India, October 14-19, 2000
Possible Solutions to the Problems of Specialists Encroaching on our Specialty
Guest Lecture:
CME Session: Maxillary Osteotomies: Types and Indications
- Craniofacial Workshop, G.T. Hospital, Mumbai (Bombay), India, October 9-12, 2000
- 13th Annual Septorhinoplasty Workshop, G.T. Hospital, Mumbai (Bombay), India,

October 12-14, 2000

488. XXVIIth Annual International Symposium on Aesthetic Plastic Surgery, Puerto Vallarta, Mexico, November 8-11, 2000
Neurofibromatosis and Fibrous Dysplasia of the Head and Neck Region
Diagnosis and Treatment of Skull Base Tumors
Keynote Lecture: Rhinoplasty

489. XXXVII Brazilian National Congress, Porto Alegre, Brasil, November 11-15, 2000
My Own History of Plastic Surgery
Skull Base Tumors and Reconstruction
Panel: Craniofacial Course (Complex Fractures of the Face)
Panel: Rhinoplasty (Primary Rhinoplasty)
Panel: Cleft Lip and Palate (Alveolar Bone Grafting)
Panel: Craniofacial Surgery (Secondary Facial Trauma)
490. Fifteenth Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola, BVI, January 22-26, 2001
Conference Co-Chairman
Craniomaxillary Distraction - Good or Bad? Necessary or Unnecessary?
Rhinoplasty - The Tricks and Tribulations of Form and Function
491. St. John Hospital Department of Pediatrics, Detroit, Michigan, February 6, 2001
Pediatric Craniofacial Surgery
492. Houston Society of Plastic Surgeons, Houston, Texas, February 15-16, 2001
Rhinoplasty - An Expanding Area in Aesthetic Surgery
Baylor Grand Rounds: Vascular Malformations of the Head and Neck: Classification and Treatment
493. Twelfth Annual Meeting of the North American Skull Base Society, Orlando, Florida, February 28-March 6, 2001
Society President
Premeeting Workshop: Craniofacial Approaches to the Orbit
Practical Course: Craniofacial Approaches to the Orbit
Nurse/Coordinator Lecture: Craniofacial Surgery
Panel: Fibrous Dysplasia
Session Co-Moderator
494. ASMS/PSEF Craniofacial Symposium, "Craniofacial Surgery: The New Millennium", New York, New York, March 29-April 1, 2001
Panel: Treatment of Vascular Malformations
Panel: Skull Base Surgery
495. Midwestern Association of Plastic Surgeons Annual Meeting, Chicago, Illinois, April 21-22, 2001
Past-President
Tips and Tricks in Plastic Surgery
496. Providence Hospital 66th Annual Resident Research Day, Southfield, Michigan, April 25, 2001

Session Moderator

497. American Society for Aesthetic Plastic Surgery Annual Meeting, New York, New York, May 3-9, 2001

498. 2nd Balkan Congress for Plastic, Reconstructive and Aesthetic Surgery, Belgrade, Yugoslavia, May 24-26, 2001
Honorary Member
ISAPS Mini Course
The Skull Base - The Place for Plastic Surgeons to Be
Primary Cleft Palate Repair
499. 12th Annual Meeting of the European Association of Plastic Surgeons, Helsinki, Finland, May 31-1, 2001
Session Chairman: Session 2
500. 9th International Congress on Cleft Palate and Related Craniofacial Anomalies, Göteborg, Sweden, June 25-29, 2001
Symposium Chair: Session 25
The Primary Unilateral Cleft Nose
The Possible Advantages of Early Bone Grafting in Primary Unilateral Cleft Lip and Palate
The Buccal Flap: A Useful Technique in Cleft Palate Repair?
Total Correction of Secondary Cleft Lip and Palate Deformity
501. Final Reunion at Canniesburn, Glasgow, Scotland, June 30-July 2, 2001
Keynote Address: The Challenges and Frustrations of Vascular Malformations
502. British Association of Plastic Surgeons Summer Meeting, University of Stirling, England, July 4-6, 2001
Toast at Gleneagles
503. 550th Anniversary of the University of Glasgow, Glasgow, Scotland, July 6, 2001
Honorary Degree of Doctor of Science
504. PSEF Core Curriculum, Chicago, Illinois, July 21-22, 2001
Cleft Lip and Palate
505. University of Detroit Mercy School of Dentistry, Detroit, Michigan, August 31, 2001
Skull Base Surgery
506. Portuguese Society of Plastic, Reconstructive and Aesthetic Surgery, Lisbon, Portugal, November 1-3, 2001
Advances in Craniomaxillofacial Surgery
A Simple Method of Skeletal Augmentation in Facial Aesthetic Surgery
Rhinoplasty - The Challenge Continues
507. European Course in Plastic Surgery, Graz, Austria, November 14-16, 2001

- Craniofacial Genetics and Dysmorphology
Craniofacial Growth
Craniosynostosis
508. Sixteenth Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola, BVI, January 28 - February 1, 2002
Conference Co-Chairman
Hydroxyapatite Granules in Facial Augmentation
Facial Bipartition - Uses in Congenital Anomalies and Skull Base Tumors
509. North American Skull Base Society Annual Meeting, San Diego, California, February 14-19, 2002
Past-President
Practical Course: Microsurgical Approach to the Orbit
Nurse/Coordinator Panel: Skull Base Surgery: Different Disciplines, Different Approaches, Different Outcomes?
Panel: New Reconstructive Materials and Techniques: New Reconstructive Material: Are They All Reliable and Satisfactory?
510. Indian Society of Cleft Lip, Palate and Craniofacial Anomalies, Mumbai, India, March 2-11, 2002
Guest Lecture: Secondary Cleft Lip Nose Deformities
Controversial Issues in Cleft Management: Early Versus Late Bone Grafting of the Cleft
The Buccal Flap: A Breakthrough in Palate Repair
511. Egyptian Society of Plastic Surgeons, Cairo, Egypt, March 24-29, 2002
JBehairy Memorial Lecture: Arteriovenous Malformations
Head and Neck Neurofibromatosis
Flaps for Head and Neck Reconstruction
512. Egyptian Society of Dental Surgery, Cairo, Egypt, March 28-30, 2002
Facial Asymmetry
Acute Craniofacial Trauma
One-Stage Correction of Orthognathic and Cleft Deformities
513. New Jersey Society of Plastic Surgeons, Mt. Laurel, New Jersey, April 12-14, 2002
Management of Craniofacial Trauma
Orbital Fracture Analysis
Travels with a Scalpel
514. Midwestern Association of Plastic Surgeons, Chicago, Illinois, April 20-21, 2002
Neurofibroma of the Head and Neck

515. American Association of Plastic Surgeons Annual Meeting, Seattle, Washington, April 26-29, 2002
516. European Association of Plastic Surgeons Annual Meeting, Crete, Greece, May 30-June 1, 2002
517. Argentine Congress on Plastic Surgery, Mendoza, Argentina, August 14-17, 2002
Implant Materials
Rhinoplasty
Round Table - Craniomaxillofacial: Skull Base Tumor Surgery
Cleft Lip and Palate
518. Italian Society of Plastic, Reconstructive and Aesthetic Surgery, Verona, Italy, September 19-21, 2002
Orbital and Lid Malformations
Face-to-face: Orbital Tumors
Nasal Tip Hemangiomas
Round Table: Nasal Tip Cosmetic Correction
519. 3rd Central European Advanced Course in Aesthetic Plastic Surgery, Prague, Czech Republic, September 22-30, 2002
One-Stage Profile Correction of Aesthetic Facial Deformity
Rhinoplasty - Aesthetic and Functional
520. North Carolina Society of Plastic Surgeons, Wilmington, North Carolina, October 12-13, 2002
Primary Cleft Lip and Palate
Skull Base Tumor Surgery
Materials for Facial Augmentation
521. XXXVI National Conference of the Association of Plastic Surgeons of India Annual Meeting, Bangalore, India, November 25-30, 2002
Operative Workshop: Rhinoplasty
Guest Lecture: Access Osteotomies
CME Talk: Vascular Malformations of the Head and Neck
Instructional Course: Craniosynostosis
522. 15th Annual Septorhinoplasty Workshop, G.T. Hospital, Mumbai (Bombay), India, December 4-5, 2002
523. Seventeenth Annual British Virgin Islands Workshop in Plastic Surgery; Road Town, Tortola, BVI, January 27 - January 31, 2003

Conference Co-Chairman

Long-term Follow-up of Primary Palate Repair Incorporating Buccal Myomucosal Flap

Compartmentalization - A Technique to Treat Inoperable Vascular Lesions

Vascular Malformations - Long-term Follow-up of Cardiac Bypass

524. North American Skull Base Society Annual Meeting, Memphis, Tennessee, California, February 19-25, 2003

Past-President

Practical Course: Orbital Tumor Surgery: Technical Pearls

Nurse/Coordinator Session: Vascular Malformations

Lecture: Transfacial Swing Osteotomy Approaches to the Skull Base

525. 2nd Annual Meeting and International Update Indian Society of Cleft Lip, Palate and Craniofacial Anomalies, Chennai, India, March 8-10, 2002

First Millard Visiting Professor Keynote Address: Cleft Lip and Palate Repair - A Personal Philosophy

Symposium on Vascular Malformations of the Head and Neck: Planning of Surgical Management of Low-Flow Vascular Malformations

Symposium on Controversies in Cleft Surgery: Early Versus Late Bone Grafts

Sri Ramachandra Medical College and Research Institute, Porur, Chennai

Operative Video Session: Correction of Craniosynostosis

Lecture: Hemifacial Microsomia: Evaluation, Planning and Management

Operative session: LeFort I

Sankara Nethralaya Hospital, Chennai

Lecture: Reconstruction in and Around the Orbit

526. Craniofacial Society of Great Britain, Leeds, UK, April 9-11, 2003
Nasal Augmentation With Surgicel-Wrapped Diced Cartilage (Turkish Delight): A Review of 67 Consecutive Cases
Reconstruction of Large Cranial Defects: Evaluation of Various Bone Replacement Materials *In Vivo* and Tissue Engineering Techniques *In Vitro*
527. American Association of Plastic Surgeons Annual Meeting, Baltimore, Maryland, May 4-7, 2003
528. Michigan Cleft Palate Association Grand Rounds, Lansing, Michigan, May 16, 2003
Panel: Early Versus Late Bone Grafting

529. European Association of Plastic Surgeons Annual Meeting, Vienna, Austria, May 29-31, 2003
530. University of Detroit Mercy School of Dentistry, Detroit, Michigan, June 13 and 20, 2003
Craniofacial Patient Treatment Considerations
Cleft Lip and Palate Surgical Considerations
531. Canadian Society of Plastic Surgeons, Whistler, British Columbia, June 27-29, 2003
532. Visiting Professor, Princess Margaret Hospital, Perth, Australia, August 5-7, 2003
An Evolving Experience in Managing Major Craniofacial Surgical Challenges
Occlusal and Dental Rehabilitation of the Cleft Lip and Palate Patient
Training in Plastic and Reconstructive Surgery
533. Australian Cleft Lip and Cleft Palate Association, Sydney, Australia, August 8-9, 2003
Keynote Lecture: The Repair of the Primary Cleft Lip and Palate: A Personal Perspective
Secondary Rehabilitation of Velopharyngeal Incompetence - Matching the Operation to the Problem
Composite Correction of Cleft Lip, Nose and Orthognathic Deformities - A One-Stage Procedure
534. International Plastic, Reconstructive and Aesthetic Surgery (IPRAS) World Congress, Sydney, Australia, August 10-15, 2003
Panel: The Use of Hydroxyapatite Granules in Facial Contouring - Aesthetic and Otherwise
Panel: Distraction Osteogenesis of the Craniofacial Skeleton
Lecture: Secondary Cleft Procedures
Panel Co-Chair: Biology and Genetics in Craniofacial Anomalies
Chair: Craniofacial Advances
Panel: Melanoma
